new or updated videos and counting!

NEW & UPDATED COURSES FOR MAY 2024

Route Management for Hazardous Materials

Length: 6:12
This video discusses how to select and drive on routes for trucks carrying hazardous materials. It explains certain route restrictions and regulations for driving and parking for hazmat trucks.
Package: Infinet-I Workforce Trucking
Course: Route Management for Hazardous Materials

Stop Signs - Señales de Alto

Length: 3:53
This video discusses stop signs, their function, and their rules. It also explains what CMV drivers should keep in mind around stop signs. Este video analiza las señales de alto, su función y sus reglas. También explica lo que los conductores de CMV deben tener en cuenta en torno a las señales de alto.
Package: Infinet-I Workforce Trucking (Spanish)
Course: Stop Signs - Señales de Alto

Tire Inspection

Length: 5:54
This video discusses guidelines for passing roadside inspections on wheels and tires. It also presents the regulations on tires defined by the Federal Motor Carrier Safety Administration and the Commercial Vehicle Safety Alliance.
Package: Infinet-I Workforce Trucking
Course: Tire Inspection

Unsafe Driving Acts of Motorists in the Vicinity of Large Trucks

Length: 7:43
This video discusses common unsafe habits non-CMV drivers have when driving around large trucks and how truck drivers can adjust their driving to make the highway safer.
Package: Infinet-I Workforce Trucking
Course: Unsafe Driving Acts of Motorists in the Vicinity of Large Trucks

Loading, Transporting, and Unloading Heavy Equipment

Length: 6:53
This video discusses the routing and transportation techniques for heavy equipment. It also explains the proper loading and unloading, as well as the dangers of improper preparation of heavy equipment.
Package: Infinet-I Workforce Trucking
Course: Loading, Transporting, and Unloading Heavy Equipment

CSA Minutes: Driver Intervention - Part 1

Length: 1:31
This video briefly explains how CSA scores and violations work. It discusses driver and company records and how some drivers may need FMCSA intervention.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driver Intervention - Part 2

Length: 2:52
This video briefly describes when FMCSA intervention is necessary for drivers as a result of on-site audits. It explains how drivers are responsible for preventing CSA violations and discusses the possibility of receiving a Notice of Claim.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driving with Exposed Belts or Ply

Length: 1:49
This video briefly explains the importance of checking your tires during a pre-trip inspection. It discusses how dangerous worn tires can be and lists relevant CSA violations.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Failure to Control Fueling of HazMat Vehicle

Length: 1:42
This video discusses the importance of staying near your vehicle while refueling. It explains relevant CSA violations and emphasizes that HazMat loads are especially dangerous if left unattended.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Failure to Retain 7 Days of Logs

Length: 1:36
This video briefly describes the importance of maintaining and retaining driver paperwork. Drivers must keep a record of the last seven days of their duty status log.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Failure To Wear Hearing Aids Or Glasses

Length: 1:26
This video briefly discusses two common restrictions drivers may have listed on their commercial driver's license. It explains the importance of wearing your hearing aids or prescription glasses while you drive so you can adequately see and hear your surroundings.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Hood Not Securely Fastened

Length: 1:38
This video briefly describes the importance of fastening your hood securely. It discusses the importance of patience and ensuring all parts of your vehicle are tight and operative.
Package: Infinet-I Workforce Trucking
Course: CSA Minutes: Trooper Mark Clark

NEW & UPDATED COURSES FOR APRIL 2024

Anti-lock Braking Systems - How to Brake With ABS - Sistemas de frenos antibloqueo: Cómo Debe Frenar con ABS

Length: 5:07
This video explains how to brake safely with antilock brake systems. It also discusses how to maintain your ABS to ensure it continues functioning properly. - Este vídeo explica cómo frenar de forma segura con sistemas de frenos antibloqueo. También analiza cómo mantener su ABS para garantizar que continúe funcionando correctamente.
Package: Infinet-I Workforce Trucking (Spanish)
Course: Anti-lock Braking Systems - Sistemas de Frenos Antibloqueo

Stop Signs

Length: 3:42
This video discusses stop signs, their function, and their rules. It also explains what CMV drivers should keep in mind around stop signs.
Package: Infinet-I Workforce Trucking
Course: Stop Signs

Pre-Trip Component Inspection

Length: 5:26
This video explains what drivers should check for during a multi-point inspection of their rig components. This pre-trip inspection should consist of checking items like the cooling system, belt engine, transmission gears, wheel assembly, and more.
Package: Infinet-I Workforce Trucking
Course: Pre and Post Trip Inspections

Form and Manner Violations

Length: 5:39
This video explains what form and manner violations are and how to avoid them. It also discusses the consequences of these violations and explores relevant differences between ELDs and paper logs.
Package: Infinet-I Workforce Trucking
Course: Form and Manner Violations

Axle Alignment and Maintenance - Part 1

Length: 6:38
This video explains the necessary steps to ensure optimum tire wear is achieved through proper alignment and maintenance. These techniques provide a quick, low-cost method of establishing whether or not a poor alignment condition exists.
Package: Infinet-I Workforce Trucking
Course: Axle Alignment and Maintenance - Part 1

Axle Alignment and Maintenance - Part 2

Length: 6:54
This video expands on the necessary steps to ensure optimum tire wear is achieved through proper alignment and maintenance. It discusses the Ackermann principle, how to identify worn components, and more.
Package: Infinet-I Workforce Trucking
Course: Axle Alignment and Maintenance - Part 2

NEW & UPDATED COURSES FOR MARCH 2024

Anti-lock Braking Systems - How You Should Brake with ABS

Length: 4:33
This video explains how to brake safely with antilock brake systems. It also discusses how to maintain your ABS to ensure it continues functioning properly.
Package: Infinet-I Workforce Trucking
Course: Anti-lock Braking Systems

Diesel Exhaust Fluid (DEF)

Length: 3:44
This video discusses how DEF works to reduce harmful emissions. It also explains how CMV drivers are affected by its implementation.
Package: Infinet-I Workforce Trucking
Course: Diesel Exhaust Fluid (DEF)

IEP Rule - Part 1

Length: 5:37
This video discusses general definitions and concepts around Intermodal Equipment Providers and Intermodal Equipment, as well as much of the required documentation for being an IEP or hauling IME
Package: Infinet-I Workforce Trucking
Course: Intermodal Equipment Providers Rule (IEP)

IEP Rule - Part 2

Length: 5:40
This video discusses general best practices involving the inspection, repair, and maintenance of IME and details what should be involved in a driver-vehicle inspection report
Package: Infinet-I Workforce Trucking
Course: Intermodal Equipment Providers Rule (IEP)

AND MORE!

BUSINESS ACUMEN

CBSI TRAINING

Business Structure: Choosing the Right One

Length: 10:25

This segment will focus on the importance of the proper formation of your company. From sole proprietor to an S-Corporation, the video will explain the different options that you have and tax consequences.

Course Name: CBSI 6 Part Series

Content Name: Key 1 Business Structure

Building Your Business Team: No One Can Do It Alone

Length: 2:37

Discusses the importance of who hire to allow you to operate your new business.

Course Name: CBSI 6 Part Series

Content Name: Key 2 Building Your Business Team

Running Your Business: Doing the Fundamentals

Length: 7:11

This video addresses doing the fundamentals right. Proper file keeping, paying bills on time, and delegation of tasks.

Course Name: CBSI 6 Part Series

Content Name: Key 3 Running Your Business

Paying Attention to the IRS

Length: 6:26

This video addresses quarterly filings and tax returns.

Course Name: CBSI 6 Part Series

Content Name: Key 4 Paying Attention to the IRS

Having Financial Info. Available to Run Your Business

Length: 7:06

This video addresses Federal as well as State compliance records and timely tracking reports to keep you informed of your firm's financial status.

Course Name: CBSI 6 Part Series

Content Name: Key 5 Having Financial Information Available

Stability – The IT Factor

Length: 5:00

This computer system and program allows you to focus on growth and income, efficiency, and profitability.

Course Name: CBSI 6 Part Series

Content Name: Key 6 Stability

INSURANCE COVERAGE

Trucking Industry Best Practices, Bob Perew

Length: 1:00:42

Bob Perew, Senior Loss Control Specialist for Canal Insurance Company, discusses the major characteristics of the best trucking companies, including management, financial statements, business growth, strong safety culture, and driver compensation.

Course Name: Best Practices Webinars

Content Name: 2019 Webinars

RUNNING A BUSINESS

Employee Handbooks: Policy Updates You Need to Make

Length: 1:04:35

Attorney Greg McAllister reviews new laws in multiple areas that you need to understand as you review policies and update your employee handbooks.

Course Name: Human Resources - Infnit-I

Content Name: Webinars

CSA BASICS

CSA BASICS, Part 1 - Introduction

Length: 3:31

The goal of the CSA initiative is to hold "motor carriers and drivers accountable for their role in safety." Join us for the first in this multi-part series to learn what exactly that means. In this introduction we discuss the seven BASICS, how drivers and carriers are affected, and what to expect in parts 2-9 of this training Content Name:

Course Name: CSA BASICS

Content Name: Part 1 - Introduction

**Available in Spanish*

CSA BASICS, Part 2 – Safety Measurement System (SMS)

Length: 7:58

The FMCSA uses the Safety Measurement System under CSA guidelines to establish dangerous drivers and carriers on the road. In this section of the CSA BASICS training Content Name: learn about the four major components of the SMS, the difference between CSMS and DSMS, how scoring works, how to improve a score, and what happens if the FMCSA rules an intervention.

Course Name: CSA BASICS

Content Name: Part 2 – Safety Measurement System (SMS)

**Available in Spanish*

CSA BASICS, Part 3 – Controlled Substances and Alcohol BASIC

Length: 4:23

It's important for drivers and motor carriers to know the details of each BASIC to properly adhere to the rules and avoid safety issues. Let's dig into the Controlled Substances/Alcohol BASIC by discussing what is included in the BASIC, examples of violations and severity weights, documents required during an investigation, and how to avoid violations in this category.

Course Name: CSA BASICS

Content Name: Part 3 – Controlled Substances and Alcohol BASIC

**Available in Spanish*

CSA BASICS, Part 4 – Crash Indicator BASIC

Length: 3:56

Decreasing the frequency of crashes is the essence of the CSA program, making the Crash Indicator BASIC crucial in maintaining road safety. This video explores how the BASIC is defined, how performance is measured, which documents to keep on-hand, and crash prevention and safety performance improvement.

Course Name: CSA BASICS

Content Name: Part 4 – Crash Indicator BASIC

*Available in Spanish

CSA BASICS, Part 5 – Driver Fitness BASIC

Length: 4:21

The Driver Fitness BASIC refers to the operation of CMVs by those who are unfit to do so due to lack of training, experience, or medical qualifications. In part five of this training Content Name:, you'll learn what this category entails, correlating violations and severity weights, necessary documentation, and ways to improve your score.

Course Name: CSA BASICS

Content Name: Part 5 – Driver Fitness BASIC

*Available in Spanish

CSA BASICS, Part 6 – Hazardous Materials Compliance BASIC

Length: 4:18

The Hazardous Materials Compliance BASIC addresses regulations on safely transporting HM via commercial motor vehicles. In this video you'll learn what the BASIC covers, examples of violations and severity weights, required documents, and CSA score improvement for this category.

Course Name: CSA BASICS

Content Name: Part 6 – Hazardous Materials Compliance BASIC

*Available in Spanish

CSA BASICS, Part 7 – Hours of Service Compliance BASIC

Length: 3:49

Hours-of-Service regulations were put in place to ensure drivers are awake, alert, and have quick response times on the road. In this section of the CSA training Content Name:, we cover the Hours-of-Service Compliance BASIC, including examples of violations and severity weights, proper documentation, and how to improve a score in this category.

Course Name: CSA BASICS

Content Name: Part 7 – Hours of Service Compliance BASIC

*Available in Spanish

CSA BASICS, Part 8 – Unsafe Driving BASIC

Length: 4:16

The Unsafe Driving BASIC refers to the operation of CMVs in a dangerous or careless manner. Join us in this eighth segment of the CSA BASICS training Content Name: where we talk about the details of this category, examples of violations and severity weights, required documents, and score improvement.

Course Name: CSA BASICS

Content Name: Part 8 – Unsafe Driving BASIC

*Available in Spanish

CSA BASICS, Part 9 – Vehicle Maintenance

Length: 5:48

The responsibility of maintaining safe CMVs is shared between drivers, maintenance personnel, and carriers. In this final CSA BASICS video, learn about the Vehicle Maintenance BASIC including violations and severity weights, required documentation, and options for score improvement.

Course Name: CSA BASICS

Content Name: Part 9 – Vehicle Maintenance

*Available in Spanish

CSA MINUTES

CSA Minutes: Broken or Discolored Windshield

Length: 0:55

This video briefly explains the importance of windshield upkeep. It explains the consequences of driving with a broken or discolored windshield and lists CSA point violations for these offenses.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Driver Intervention – Part 1

Length: 1:21

This video briefly explains how CSA scores and violations work. It discusses driver and company records and how some drivers may need FMCSA intervention.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driver Intervention – Part 2

Length: 2:52

This video briefly describes when FMCSA intervention is necessary for drivers as a result of on-site audits. It explains how drivers are responsible for preventing CSA violations and discusses the possibility of receiving a Notice of Claim.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driving a CMV While Disqualified From Holding a CDL 383.51(a)

Length: 1:01

This video briefly explains that drivers who operate a commercial motor vehicle must have a commercial driver's license and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Driving More Than 11 Hours

Length: 1:40

This video briefly discusses how drivers should not exceed their hours of service. It mentions the danger of fatigue and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driving While Ill or Fatigued

Length - 01:12

This video describes the dangers of driving while ill or fatigued. It discusses the relevant CSA violations and encourages drivers to express when they're too tired to drive. .

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

*Available in Spanish

CSA Minutes: Driving with Exposed Belts or Ply

Length: 1:49

This video briefly explains the importance of checking your tires during a pre-trip inspection. It discusses how dangerous worn tires can be and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driving without Required Paperwork

Length: 1:39

This video briefly describes the consequences of driving without the necessary paperwork, such as your CDL, medical certificate, and logbook. It also emphasizes the importance of keeping such documents up-to-date and accessible.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Driving without Valid CDL

Length: 1:13

This video briefly discusses the consequences of driving without your CDL. It also lists the relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: ELD - Driver Failed to Assume or Decline Unassigned Driving Time - 395.32B

Length: 1:12

This video discusses logging driving time in to your Electronic Log Device. It explains how yard moves can cause an Unidentified Driver log and describes the CSA score violation for this.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Driver Failed to Manually Add Information - 395.24C

Length: 1:31

This video describes the benefits and drawbacks of using ELDs. It explains how drivers must be diligent when adding manual annotations to the log and lists the relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Driver Failed to Select Special Driving Category - 395.28

Length: 1:13

This video discusses the violation of a driver failing to select a special driving category or other similar situations and the point amount associated with this type of violation.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Failing to Follow the Prompts from the ELD - 395.30C

Length: 1:03

This video discusses the consequences of inaccurately recording information on your ELD. It emphasizes the importance of staying diligent when adding or editing information from the ELD prompts.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Failing to Note Malfunctions that Requires Use of Paper Log - 395.34A1

Length: 1:19

This video explains the importance of logging ELD malfunctions on a paper log. It discusses using a graph-grid and preparing a manual record of duty status log.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - No Record of Duty Status - 395.8A

Length: 1:18

This video describes the importance of correctly notating your record of duty status. It explains how non-exempt drivers must ensure their ELDs are functioning and exempt drivers are properly updating their paper logs.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Operating with a Device Not Registered with FMCSA

Length: 1:07

This video briefly explains that ELDs selected for CMVs must be registered with the FMCSA. It discusses how most drivers must use ELDs unless certain exemptions apply.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: ELD - Portable ELD Not Mounted in a Fixed and Visible Position

Length: 1:07

This video emphasizes the importance of staying alert while driving and minimizing distractions. It discusses how portable ELDs must be mounted in a fixed, visible position.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Failure to Control Fueling of HazMat Vehicle

Length: 1:42

This video discusses the importance of staying near your vehicle while refueling. It explains relevant CSA violations and emphasizes that HazMat loads are especially dangerous if left unattended.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes: Trooper Mark Clark

CSA Minutes: Failure to Control Fuel of HM - 397.15

Length: 1:10

This video describes the importance of staying near your hazmat load vehicle when refueling. It briefly discusses fueling procedures and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Failure to Conduct a Pre-trip Inspection

Length: 1:09

This is a short reminder that failure to do a proper pre-trip inspection is a violation of CSA.

Course Name: *CSA Minutes*

Content Name: *CSA Minutes*

CSA Minutes: Failure to Retain 7 Days of Logs

Length: 1:36

This video briefly describes the importance of maintaining and retaining driver paperwork. Drivers must keep a record of the last seven days of their duty status log.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Failure to Use Caution For Hazardous Conditions

Length: 1:31

This video discusses the importance of driving cautiously through hazardous road conditions such as work zones. It lists the relevant CSA violations and urges drivers to slow down when approaching hazardous conditions.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Failure To Wear Hearing Aids Or Glasses

Length: 1:26

This video briefly discusses two common restrictions drivers may have listed on their commercial driver's license. It explains the importance of wearing your hearing aids or prescription glasses while you drive so you can adequately see and hear your surroundings.

Course Name: *CSA Minutes*

Content Name: *CSA Minutes*

CSA Minutes: Following Too Close - 392.2FC

Length: 1:13

This video discusses the dangers of following vehicles too closely. It explains how the typical CMV should leave 4-6 seconds of following distance from the vehicle in front of them.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: General Qualifications - 391.11(b)

Length: 1:10

This video briefly explains the basic qualifications to drive a CMV and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: General Securement 392.9 - 392.9(a)(3)

Length: 2:04

This video discusses violations 392.9 through 392.9(a)(3), general securement.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Hazardous Materials**Package Specification**

Length: 1:20

This video discusses the dangers of misrepresenting a package specification. It lists relevant CSA violations and explains that hazardous materials packaging is highly regulated to minimize danger.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Hood Not Securely Fastened

Length: 1:38

This video briefly describes the importance of fastening your hood securely. It discusses the importance of patience and ensuring all parts of your vehicle are tight and operative.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Improper Flag Placement

Length: 1:10

This video explains the importance of properly placing and securing the necessary flags on your load and vehicle.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Improperly Loaded or Secured Cargo

Length: 1:10

This video briefly discusses the dangers of improperly securing cargo on a load. It also lists the relevant CSA violations and possible consequences for your safety record.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: In Possession or Under the Influence of a Narcotic Drug

Length: 1:25

This video briefly explains the dangers of narcotics for drivers and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Inoperative Headlamps

Length: 1:16

This video briefly explains the importance of ensuring your headlamps are functional. It emphasizes conducting thorough pre-trip inspections and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Inoperative Tail Lights

Length: 1:15

This video briefly discusses the danger of driving with inoperative tail lights and lists the relevant CSA violations. It emphasizes the importance of checking your lights during stops and inspections.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Inoperative Turn Signal - 393.9TS

Length: 1:00

This video explains the importance of having functional turn signals. It emphasizes how the ability to indicate a turn can keep you and other motorists safe.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Inoperative/Defective Brakes - 393.48(a)

Length: 1:07

This video describes the dangers of driving with defective brakes. It lists various brake components that need to be regularly inspected as well as emphasizes the importance of proper brake tests during pre-trip inspections.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Leaking Fluid

Length: 1:48

This video briefly discusses the importance of looking under your vehicle during inspections to check for leaking fluids. It also lists the relevant consequences and CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Leaking, Spilling, or Blowing Cargo

Length: 1:58

This video explains the dangers of leaky trailers or cargo spillage. It emphasizes the importance of securing your load and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Lubrication & Oil and/or Grease Leak - 396.5(a) 396.5(b)

Length: 1:13

This video briefly discusses the importance of ensuring your vehicle is properly lubricated. It describes the consequences of grease leaks and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: No Medical Certificate in Driver's Possession - 391.41(a)

Length: 1:25

This video describes the importance of carrying proper documentation with you while driving, including a medical certificate. It explains how CDL holders must present certain documents or risk having their CMV driving privileges downgraded by the State.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Operating CMV with Lamps - Reflectors Obscured - 392.33

Length: 1:07

This video briefly explains the importance of keeping your reflectors visible. When they're obscured, your CMV can blend into its surroundings, presenting a danger to you and other motorists.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Out of Service

Length: 1:45

This video briefly discusses the importance of properly preparing a record of duty status to avoid being placed out of service. It emphasizes how logs are to be accurate and accounted for and explains relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Passenger Seat Belt

Length: 1:34

This video discusses the violation of operating a CMV while all other occupants are not properly restrained and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Possession of Alcohol

Length: 1:21

This video discusses the consequences of possessing alcohol while operating a CMV and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

CSA Minutes: Seatbelt

Length: 1:45

This video briefly explains the importance of wearing a seatbelt when driving. Not only does wearing your seatbelt keep you safe, it's the law.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Smoking with HazMat Load

Length: 1:30

This video briefly explains the dangers of smoking near a HazMat load and lists relevant CSA violations.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Speeding

Length: 3:34

This video describes CSA speeding violations, including how different speeds have different severity weights for CSA scoring. It also explains the importance of scheduling runs in a timely manner to avoid having to speed.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes*

*Available in Spanish

CSA Minutes: Texting While Driving

Length: 2:01

This video briefly explains the dangers of texting and driving. It lists relevant CSA violations and discusses hands-free devices.

Package: *Infinet-I Workforce Trucking*

Course: *CSA Minutes: Trooper Mark Clark*

CSA Minutes: Tiedown - 393.104(f)

Length: 1:19

This video discusses how tiedowns can keep your load safe. It briefly explains regulations for securing tie-downs and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Tire Condition - 393.75(a)

Length: 1:25

This video emphasizes the importance of having good tire conditions while driving. It describes various dangers of driving on worn or defective tires and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Tire Load Limit and Underinflation

Length: 1:49

This video discusses the importance of knowing the weight limit of your tires and ensuring proper inflation. It explains the dangers of driving on under-inflated tires and lists the relevant CSA score violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Tire Speed Restriction

Length: 1:27

This video explains the importance of knowing the speed restriction of your tires. This should be checked during pre-trip inspections - exceeding the tire's speed restriction can result in a CSA violation.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Tire Tread

Length: 2:04

This video explains the importance of maintaining your tires for road safety. It emphasizes tread depth and groove and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Under the Influence of Alcohol

Length: 1:45

This video briefly discusses the dangers of drunk driving. It discusses the effects of alcohol, such as decreased cognitive abilities, and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

CSA Minutes: Windshield Obstruction

Length: 2:46

This video explains the importance of having a clean windshield with no obstructions to your view. It discusses various devices that can or cannot be mounted on the dash and lists relevant CSA violations.

Package: Infinit-I Workforce Trucking

Course: CSA Minutes

ELD - Necessary Related Materials

Length: 1:32

This video discusses various materials related to ELDs that drivers are required to maintain. Failure to maintain these materials are violations of the Hours of Service Compliance BASIC.

Course Name: CSA Minutes

Content Name:: CSA Minutes

ELD - Failure to Provide Supporting Documents

Length: 1:30

This video discusses the supporting documents a driver must keep in their possession and provide upon request. Failure to provide supporting documents in relation to ELDs is a violation of the Hours of Service Compliance BASIC.

Course Name: CSA Minutes

Content Name:: CSA Minutes

ELD - Display Screen Cannot Be Viewed Outside of the CMV

Length: 1:06

This video discusses ELDs and how the display screen for an ELD must be able to be viewed from outside of the CMV. An ELD's display screen that cannot be viewed outside of the CMV is a violation of the Hours of Service Compliance BASIC.

Course Name: CSA Minutes

Content Name:: CSA Minutes

CSA HOURS OF SERVICE

Hours of Service - Part 01:

Introduction to Hours of Service

Length: 2:38

This video introduces the FMCSA regulations on hours of service. It outlines who the restrictions apply to and how these guidelines aim to reduce accidents.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 02: The 14 Hour Window / 11 Hour Limit / 60-70 Hour Limit

Length: 3:28

This video details when CMV operators can drive, how long they can drive, and when to get off the road. It discusses the 14-hour driving window, the 10-hour off-duty regulation, and the 60/70-hour limit. It also explains the differences in these regulations for passenger-carrying vehicles.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 03 - The Thirty Minute Break and 34 Hour Restart

Length: 2:08

This video explains the 30-minute break and 34-hour restart regulations. It explains what qualifies as a break and differentiates the regulations for short-haul exceptions.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 04 - On-Duty Time / Travel Time / Off-Duty Time

Length: 3:36

This video defines what is considered on-duty and off-duty time and provides specific examples. It also defines travel time and explains qualifying exclusions for these regulations.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 05 - The Sleeper Berth Provision

Length: 5:04

This video explains the specifics of the sleeper berth provision. It discusses how the sleeper berth can be used to satisfy the 10-hour off-duty regulation, and provides example scenarios that allow an extension on the 14-hour driving limit.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 06 - The Drivers Daily Log Book

Length: 4:05

This video explains the regulations on logging hours of service on paper. It discusses the driver's 24-hour daily log and defines who must keep a log, along with exceptions. It also outlines what all must be included in the log.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 07 - Interstate Truck Driver Guide to HOS

Type: 27-page PDF

This document is the official FMCSA Interstate Truck Driver's Guide to Hours of Service and reiterates the topics discussed in this series. It does not account for the 2020 hours of service changes.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 08 - HOS ELD

Length: 4:25

This video discusses the advantages of using an electronic logging device for hours of service, how they work, and who must use them. It also defines what reference items you must keep with your ELD, and who is exempt from using them.

Course Name: Trucking Industry

Content Name:: Hours of Service

**Available in Spanish*

Hours of Service - Part 09 - Exemptions/Exceptions

Length: 2:56

This video defines exceptions and exemptions for hours of service regulations, including unexpected adverse driving conditions, short-haul trips, and declared emergencies.

Course Name: Trucking Industry

Content Name:: Hours of Service

**Available in Spanish*

Hours of Service - Part 10 - Hours of Service Final Rule Visor Card

Type: 2-page PDF

This document is the FMCSA visor card that outlines the hours of service regulations.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service - Part 11 - Agricultural Commodity Exemption

Length: 6:23

This video explains exemptions to the standard hours-of-service logging for drivers who transport agricultural commodities. It also explains how exempt drivers should properly log their hours.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

Hours of Service Changes in 2020

Length: 2:07

This video outlines the FMCSA 2020 changes to the hours of service regulations, including the CMV short-haul exemption, adverse driving conditions rules, 30-minute break rules, and the new split sleeper berth provision.

Package: Infinit-I Workforce Trucking

Course: Hours of Service

**Available in Spanish*

CSA WEBINARS

How to Prepare for Major Changes to CSA in 2019

Length: 1:02:02

Craig Lack and Buddy Walls of Carrier Software join Infinit-I Workforce Solutions to discuss how CSA is going to change, the current CSA vs New IRT model, how this will affect transportation companies, and how you can stay ahead of the CSA changes.

Course Name: Best Practices Webinars

Content Name:: 2019 Webinars

DRIVER GENERAL KNOWLEDGE

Animal Avoidance

Length: 5:36

Animal crossings are common and dangerous occurrences. To avoid accidents with animals, learn when and where to look for wildlife, what warning signs look like, and safe driving techniques for these areas. In cases where a collision is unavoidable, there are specific protocols that help limit damage and injuries. Learn about each of these topics in our video, Animal Avoidance.

Course Name: Trucking Industry

Content Name:: Animal Avoidance

**Available in Spanish*

CARGO SECUREMENT

Cargo Door Safety

Length: 5:43

This video details the safe operation of trailer cargo doors. Proper exiting technique from the trailer and proper opening and securement of the doors are detailed.

Course Name: Trucking Industry

Content Name: Cargo Door Safety

*Available in Spanish

Cargo Securement

Length: 8:13

When moving cargo over the road it's important to ensure the safety of yourself, others, and the cargo itself. Improperly secured cargo can create various issues, so this video covers FMCSA regulations about cargo securement, your responsibilities, performance criteria, securement devices and requirements, and proper tie-down.

Course Name: Cargo Management

Content Name: Cargo Securement

Loading, Transporting, and Unloading Heavy Equipment

Length: 6:53

This video discusses the routing and transportation techniques for heavy equipment. It also explains the proper loading and unloading, as well as the dangers of improper preparation of heavy equipment.

Package: Infinit-I Workforce Trucking

Course Name: Loading, Transporting, and Unloading Heavy Equipment

Handling and Securing Cargo

Length: 7:34

This video covers weight distribution, cargo securement, theft prevention, cargo covering, safe and efficient loading and unloading of cargo, and handling hazardous materials.

Package: Infinit-I Workforce Trucking

Course: Handling and Securing Cargo

Overweight Trailers - Calculating Load

Length: 5:51

Federal regulations for calculating and distributing a load are covered in this video. Also discussed are ways to alter weight distribution and regulations on oversized or overweight trailers.

Course Name: Trucking Industry

Content Name: Overweight Trailers - Calculating Load

*Available in Spanish

COUPLING & UNCOUPLING

Coupling - 2016

Length: 5:47

This video discusses proper procedures for coupling a trailer, including methods of approach and contact and identification of parts and hazards.

Course Name: Trucking Industry

Content Name: Coupling and Uncoupling - 2016

*Available in Spanish

Uncoupling - 2016

Length: 2:58

This video discusses the proper procedures involved in uncoupling a trailer, including the importance of solid ground, inspection, and personal safety.

Course Name: Trucking Industry

Content Name: Coupling and Uncoupling - 2016

*Available in Spanish

DRIVER BEST PRACTICES

Dump Truck Safety

Length: 10:05

This video focuses on dump truck safety considerations, preventive maintenance, pre- and post-trip vehicle inspections, weight maximums, and bed operations.

Course Name: Trucking Industry

Content Name: Dump Truck Safety

Bucket Truck

Length: 17:39

This video covers bucket truck safety, pre-trip inspection, and personal protective gear. It also covers the importance of establishing a safe working area, job site survey, safety cones and flags, and common obstructions on job sites.

Course Name: Trucking Industry

Content Name: Bucket Truck

Cargo Theft

Length: 6:35

Cargo theft is an ever-growing issue in the United States, heightening consumer prices, disrupting supply chains, and risking public safety. This video discusses methods to prevent cargo theft, as well as what signs of thievery to watch out for.

Package: Infinit-I Workforce Trucking

Course: Cargo Theft

*Available in Spanish

Control Systems/Dashboard

Length: 13:27

This video provides a detailed description of instruments, gauges, and controls found on the dashboard and in the cab of a typical large truck. Trainees will learn how to locate, understand, and use these tools as well as safety components available to them.

Course Name: Trucking Industry

Content Name: Control Systems/Dashboard

*Available in Spanish

Driving Around School Buses

Length: 5:03

This video focuses on tips on how to operate a CMV around school buses, defensive driving, and operating in school zones and residential areas. This video also discusses the potential dangers and consequences of violating the school bus safety laws.

Course Name: Driving Around School Buses

Content Name: Driving Around School Buses

*Available in Spanish

Environmental Compliance Issues

Length: 6:35

This video reviews common environmental hazards related to CMV operation, the regulations that apply to environmental compliance, and specifically discusses, air and noise pollution, maintenance, and hazardous materials issues.

Package: Infinit-I Workforce Trucking

Course: Environmental Compliance Issues

Failure to Yield for Emergency Vehicles

Length: 5:49

It's important to know the nuances of yielding safely and properly for emergency vehicles. In this video we discuss best practices for yielding to moving and stationary emergency vehicles with lights and/or sirens activated, how to yield on single, two-lane, and multi-lane roadways, and what happens if these rules are violated.

Course Name: Failure to Yield for Emergency Vehicles

Content Name: Trucking Industry

*Available in Spanish

FMCSR – Ramifications

Length: 6:42

This video covers the disqualifications for major offenses, serious traffic violations, railroad-highway grade crossing offenses, and out-of-service offenses.

Package: Infinit-I Workforce Trucking

Course: FMCSR – Ramifications

Form and Manner Violations

Length: 5:39

This video explains what form and manner violations are and how to avoid them. It also discusses the consequences of these violations and explores relevant differences between ELDs and paper logs.

Package: Infinit-I Workforce Trucking

Course: Form and Manner Violations

*Available in Spanish

Loading, Transporting, and Unloading Heavy Equipment

Length: 12:02

This video covers key areas regarding the transportation, routing and proper loading of heavy equipment.

Course Name: Trucking Industry

Content Name: Loading, Transporting, and Unloading Heavy Equipment

Low Clearance

Length: 5:20

This video will discuss the importance of knowing what low clearance hazards look like and how best to avoid them.

Course Name: Trucking Industry

Content Name: Low Clearance

*Available in Spanish

Merging

Length: 4:32

Learn the intricacies and nuances of approaching and correctly performing a merge. This video also explores when to merge early or utilize the zipper merge technique and issues to avoid while merging

Course Name: Trucking Industry

Content Name: Merging

*Available in Spanish

Out-of-Service

Length: 6:06

This video covers the definition of Out-of-Service, reasons why a driver or vehicle could be placed Out-of-Service, penalties for operating while Out-of-Service, and how to resolve being placed Out-of-Service.

Package: Infinit-I Workforce Trucking

Course: Out-of-Service

Parking Lot Safety

Length: 6:28

This video explains how to drive safely in parking lots. It discusses speed and spatial awareness and what to do should an accident occur.

Package: Infinit-I Workforce Trucking

Course: Parking Lot Safety

*Available in Spanish

Route Management

Length: 6:15

Route management and trip planning are essential for drivers who want to cut costs, improve customer service, increase business productivity, and increase safety.

Course Name: Driver Skills

Content Name: Route Management

*Available in Spanish

Route Management - Tips & Tricks

Length: 6:14

This video discusses the benefits of route planning and some of the best practices for changing the route as circumstances change.

Package: Infinit-I Workforce Trucking

Course: Route Management

*Available in Spanish

Seatbelts

Length: 5:06

This video defines the intended uses for seatbelts and illustrates how seatbelts prevent being thrown from the vehicle.

Course Name: Trucking Industry

Content Name: Seatbelts

*Available in Spanish

Shifting/Operating Transmissions

Length: 8:53

This video explains the function of and types of transmissions as well as proper shifting procedures.

Course Name: Trucking Industry

Content Name: Shifting/Operating Transmissions

*Available in Spanish

Triangle Placement

Length: 5:39

When a CMV is stopped on the side of the road, DOT regulations require warning signal flashers and triangles to be properly placed on the road. This video discusses the proper procedures for triangle placement and walks through various scenarios.

Course Name: *Trucking Industry*

Content Name: *Triangle Placement*

Vehicle Communications

Length: 8:34

This video provides instruction on communication with other road users. It discusses techniques for the proper use of headlights, turn signals, four-way flashers, and horns. It also discusses the utilization of eye contact techniques.

Package: *Infinet-I Workforce Trucking*

Course: *Vehicle Communications*

SAFE DRIVING

Driving in Extreme Weather Conditions

Length: 9:10

When driving in extreme weather conditions, it is important to be aware of safety best practices to avoid accidents. This video discusses tips like proceeding slowly and cautiously and lengthening following distance to allow time and space to stop or maneuver the truck.

Course Name: *Trucking Industry*

Content Name: *Driving in Extreme Weather Conditions*

*Available in Spanish

Driving Through Work Zones

Length: 4:54

Each year, a high number of accidents occur in work zones. This video discusses types of work zone related accidents and how to avoid them.

Course Name: *Trucking Industry*

Content Name: *Driving Through Work Zones*

*Available in Spanish

Lane Restrictions

Length: 4:52

Learn when and where left lane travel is acceptable for large commercial motor vehicles.

Course Name: *Trucking Industry*

Content Name: *Lane Restrictions*

*Available in Spanish

Mountain Driving, Downhill Grades, Downhill Braking

Length: 6:49

This video focuses on how to operate a CMV on mountain roads and downhill grades, the downhill braking technique, and options for facing potential dangers.

Course Name: *Mountain Driving, Downhill Grades, Downhill Braking*

Content Name: *Mountain Driving, Downhill Grades,*

Downhill Braking

*Available in Spanish

Safe Parking in Emergencies

Length: 5:46

This video discusses safe parking practices to follow during emergencies. It emphasizes the dangers of parking along highways and outlines general procedures to follow when parking on short notice.

Package: *Infinet-I Workforce Trucking*

Course: *Safe Parking in Emergencies*

*Available in Spanish

Skid Control/Recovery, Jackknifing, and Other Emergencies

Length: 10:23

This video serves as a guide to skid control and recovery, jackknifing, and other common emergencies. It discusses techniques for direction control, evasive steering, emergency braking, and off-road recovery.

Package: *Infinet-I Workforce Trucking*

Course: *Skid Control/Recovery, Jackknifing, and Other Emergencies*

*Available in Spanish

Stop Signs

Length: 3:42

This video discusses stop signs, their function, and their rules. It also explains what CMV drivers should keep in mind around stop signs.

Package: *Infinet-I Workforce Trucking*

Course: *Stop Signs*

*Available in Spanish

Traffic Signs

Length: 12:36

This video discusses the many categories of traffic signs, highlighting shapes, coloration, and information that the different categories present.

Course Name: *Trucking Industry*

Content Name: *Traffic Control Devices*

*Available in Spanish

Tire Chains

Length: 4:53

Poor weather conditions are one of the greatest road dangers. Tire chains are a tool to reduce said dangers. To prepare for their use, we'll discuss what they are, when and why to use them, application and removal, and best practices.

Course Name: *Tire Chains*

Content Name: *Tire Chains*

*Available in Spanish

Turning

Length: 5:50

This video discusses the fundamentals and best practice procedures involving single and multiple-lane turns in a CMV.

Course Name: *Trucking Industry*

Content Name: *Turning*

*Available in Spanish

U-turns

Length: 4:53

This video discusses U-turns, their legality, how to avoid them, and the possible consequences for performing them. It details how to perform a U-turn if required and gives possible alternatives.

Course Name: *U-turns*

Content Name: *U-turns*

*Available in Spanish

DRIVER SKILLS BEST PRACTICES

COLLISIONS, ROLLOVERS & JACKKNIFING

At the Scene of an Accident

Length: 9:07

Anytime a truck driver is involved in an accident, they must remember the chance of lawsuits is high. This video discusses the correct responses drivers should give and the behaviors drivers should exhibit around law enforcement and others while on the scene of an accident.

Course Name: *Trucking Industry*

Content Name: *At the Scene of an Accident*

*Available in Spanish

Driver Factors

Length: 5:38

This video discusses driver factors that can cause rollovers including speeding, cell phone use, complacency, driver fatigue, and driving under the influence.

Course Name: *Trucking Industry*

Content Name: *Cargo Tank Driver Rollover Prevention*

Dry Van Rollover

Length: 5:48

This video discusses the causes and best practices for prevention of a rollover event. It discusses cargo securement, load limit, and correct driving habits that all help prevent rollovers.

Course Name: *Trucking Industry*

Content Name: *Dry Van Rollovers*

*Available in Spanish

Dry Van Rollovers - No Touch

Length: 3:54

This video discusses the causes and best practices for prevention of a rollover event. It discusses cargo load shifting and correct driving habits that help drivers of no touch freight prevent rollovers.

Content Name: *Course Name: Trucking Industry*

Content Name: *Dry Van Rollovers*

Fixed Object Collisions - High Speed

Length: 6:36

This video discusses the common causes and solutions for fixed object collisions that occur at high speeds.

Course Name: *Trucking Industry*

Content Name: *Fixed Object Collisions*

*Available in Spanish

Fixed Object Collisions - Low Speed

Length: 7:33

This video discusses the common causes and solutions for fixed object collisions that occur at low speeds.

Course Name: *Trucking Industry*

Content Name: *Fixed Object Collisions*

*Available in Spanish

Highway Factors

Length: 4:26

Highway factors that can cause rollovers are discussed such as sharp curves, steep grades, soft shoulders, hard berms, mounds & curbs, narrow driveways and limited visibility areas. Even though the tractor takes the turn just fine, drivers may have to watch the trailer a little closer.

Course Name: *Trucking Industry*

Content Name: *Cargo Tank Driver Rollover Prevention*

Jackknifing

Length: 4:45

To prevent a trailer from jackknifing, a professional truck driver must know the steps to follow when the brakes lock up and the trailer starts coming around. This video discusses both the physics behind jackknifing and trailer pull and prevention techniques to avoid jackknifing. Additionally, the video provides information about anti-lock braking systems (ABS).

Course Name: *Trucking*

Content Name: *Jackknifing*

*Available in Spanish

Load Effects

Length: 3:20

This video discusses how liquid payload contributes to rollovers, including how important the driver's movement and the load's shifts are when keeping the tank from rolling over. These movements include braking suddenly, returning to the road, moving too quickly, and shifting on a turn. Vehicle maintenance issues like brake performance, suspension damage, tire pressure, and load dynamics can also contribute to a rollover.

Course Name: *Trucking Industry*

Content Name: *Cargo Tank Driver Rollover Prevention*

Vehicle Design

Length: 4:26

Most tanker truck rollovers occur on straightaways, as opposed to entrance or exit ramps. This video goes over the design and performance of cargo tank trailers and what causes rollovers to happen based on the center of gravity.

Course Name: *Trucking Industry*

Content Name: *Cargo Tank Driver Rollover Prevention*

DEFENSIVE DRIVING

Defensive Driving - Passenger Vehicle

Length: 4:27

This video discusses general practices for driving defensively in a passenger vehicle.

Course Name: *Trucking Industry*

Content Name: *Defensive Driving - Passenger Vehicle*

*Available in Spanish

The Seven Essentials of Defensive Driving

Length: 9:30

This video outlines the seven essentials of defensive driving. It emphasizes the importance of staying aware of your surroundings, keeping space between yourself and other vehicles, and anticipating hazards.

Package: *Infinet-I Workforce Trucking*

Course: *The Seven Essentials of Defensive Driving*

7 Deadly Errors Cars Make Around Large Vehicles

Length: 5:39

One key way to improve your skills as a defensive driver is to be able to anticipate the mistakes other drivers will make around you. This video discusses the seven deadly errors small vehicles make around commercial motor vehicles (CMVs) and gives defensive driving tips for CMV drivers.

Course Name: Trucking Industry

Content Name:: 7 Deadly Errors Cars Make Around Large Vehicles

*Available in Spanish

Intersections: Expect the Unexpected

Length: 4:57

Intersections are dangerous places. Drivers pass through many intersections each day and may not be as alert as they should be. As professionals, drivers are responsible for their own safety and the safety of others on the road. This video reviews how to safely negotiate intersections.

Course Name: Trucking Industry

Content Name:: Intersections Expect the Unexpected

*Available in Spanish

Backing a Rig Safely

Length: 5:18

One of the most intricate and dangerous maneuvers a truck driver performs is backing a rig. This video discusses the proper steps a driver should follow when backing a rig in tight corners. It also stresses the importance of paying attention to surroundings while backing a commercial motor vehicle.

Course Name: Trucking Industry

Content Name:: Backing a Rig Safely

*Available in Spanish

Get Out and Look (GOAL)

Length: 6:28

This video explains the importance of getting out of your vehicle to check your surroundings before backing up. It discusses the dangers of backing up, essential techniques for backing up, and the common training method, GOAL, or Get Out and Look.

Package: Infinit-I Workforce Trucking

Course: Get Out and Look (GOAL)

*Available in Spanish

Bridges and Overpasses

Length: 6:33

This video describes the potential hazards and dangers of bridges and overpasses to large commercial vehicles. Proper prevention techniques and reporting procedures are demonstrated in the video. Black ice is also discussed.

Course Name: Trucking Industry

Content Name:: Bridges and Overpasses

*Available in Spanish

Changing Lanes for CMV Drivers

Length: 5:41

When a CMV driver attempts to make a lane change with inadequate surveillance, a preventable accident may happen. This video discusses the importance of executing a lane change correctly while demonstrating correct steps and discussing the most common errors made while changing lanes.

Course Name: Trucking Industry

Content Name:: Changing Lanes

*Available in Spanish

Rapid Air Loss

Length: 8:55

Produced by Michelin, this video describes what a driver should do in the event of rapid air loss (blowout) of a steer or drive tire. The instruction includes details on compensating for side forces created by the blowout and maintaining control of the vehicle.

Course Name: Trucking Industry

Content Name:: Rapid Air Loss

Railroad Crossings for CMV Drivers

Length: 4:15

CMV drivers must understand the proper procedures for approaching and driving over railroad crossings to prevent collisions with trains. This video discusses the importance of observing railroad crossings while emphasizing the dangers of both ignoring railroad markings and of stopping on railroad tracks.

Course Name: Trucking Industry

Content Name:: Railroad Crossings

*Available in Spanish

Tailgating

Length: 6:58

Defines the phenomenon known as Tailgating and the causes of the event; prepares drivers to expect this phenomenon; discusses prevention techniques and how to disengage from a tailgating car; discusses the importance of not tailgating cars ahead of the driver and appropriate following distances for certain conditions.

Course Name: Trucking Industry

Content Name:: Tailgating

*Available in Spanish

Unsafe Driving Acts of Motorists Around Large Trucks

Length: 17:49

This video discusses common unsafe habits non-CMV drivers have when driving around large trucks and how truck drivers can adjust their driving to make the highway safer.

Course Name: Trucking Industry

Content Name:: Unsafe Driving Acts of Motorists in Vicinity of Large Trucks

DISTRACTED DRIVING

Distracted Driving - Animated Series – Part 1

Length: 2:40

This video defines distracted driving and discusses common, high-risk driving distractions such as eating, texting, drowsiness, and more. It also provides statistics surrounding accidents related to distracted driving.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

Distracted Driving - Animated Series – Part 2

Length: 2:55

This video explains what steps you can take to avoid distraction while driving. It emphasizes the dangers of using handheld or hands-free devices, discusses the major causes of distracted driving, and offers statistics surrounding related accidents.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

Distracted Driving: Family at Cemetery

Length: 1:21

This video emphasizes the dangers of distracted driving by narrating the tragic accident of a driver answering a call behind the wheel.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

Distracted Driving: Grocery Cart Worker

Length: 1:18

This video emphasizes the dangers of distracted driving by narrating the tragic accident of a driver who was texting behind the wheel.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

*Available in Spanish & French

Distracted Driving Awareness –Hands-Free Device Allowed

Length: 5:40

This video explains the dangers of distracted driving. It discusses the implications of using cell phones and hands-free devices while driving and reminds drivers about relevant FMCSA violations.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

*Available in Spanish

Distracted Driving Awareness –No Device Allowed

Length: 5:43

This video explains the dangers of distracted driving. It discusses the regulations and laws surrounding cell phone use while driving and highlights how following a no-device rule can improve safety.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

*Available in Spanish

Distracted Driving Awareness - Screens

Length: 5:26

This video emphasizes the dangers of looking at screens while you drive. It discusses different kinds of screens you may encounter and explains options for putting them away or using them sparingly with hands-free or voice control.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

*Available in Spanish

Distracted Driving Awareness - Social Media

Length: 4:39

This video explains the dangers of using social media while driving. It discusses potential damages for using social media behind the wheel and explores ways to resist the temptation.

Package: Infinit-I Workforce Trucking

Course: Distracted Driving

*Available in Spanish

Road Rage for CMV Drivers

Length: 7:09

Learning how to handle aggressive drivers on the road as part of accident avoidance is important for the CMV driver. This video discusses the events that cause “road rage” and teaches drivers how to avoid conflict on the road by resetting both their focus and attitude.

Course Name: Trucking Industry

Content Name:: Road Rage

*Available in Spanish

NIGHT DRIVING

Driving in the Dark

Length: 7:25

This video discusses the many situations you can encounter while driving at night and how to properly respond to them.

Course Name: Trucking Industry

Content Name:: Night Driving

*Available in Spanish

Fighting Fatigue

Length: 4:59

This video discusses how to properly fight nighttime fatigue while driving in the dark.

Course Name: Trucking Industry

Content Name:: Night Driving

*Available in Spanish

Night Driving: General Information - Part 1

Length: 7:55

This video discusses safe practices for driving at night for CMV drivers. It explains the dangers of fatigue and the importance of taking care of your body and vehicle.

Package: Infinit-I Workforce Trucking

Course: Night Driving

*Available in Spanish

Night Driving: General Information - Part 2

Length: 6:03

This video explains safe practices for driving at night for CMV drivers. It discusses nighttime obstacles such as wildlife and drunk drivers and emphasizes the importance of lights, speed, and following distance.

Package: Infinit-I Workforce Trucking

Course: Night Driving

*Available in Spanish

Preparing for the Dark

Length: 6:01

This video discusses proper maintenance of your vehicle and your body specifically for nighttime driving.

Course Name: Trucking Industry

Content Name:: Night Driving

*Available in Spanish

The Dangers of Night Driving

Length: 4:40

This video discusses the many dangers of driving during the night time hours.

Course Name: Trucking Industry

Content Name:: Night Driving

*Available in Spanish

SPEED AND SPACE MANAGEMENT

Speed and Space Management: Part 1 - Speed

Length: 6:29

This video discusses the importance of managing your speed while driving. It explains speed limit regulations, safety precautions, and emphasizes how reducing your speed can save money and prolong your vehicle life.

Package: *Infini-I Workforce Trucking*

Course: *Speed and Space Management*

*Available in Spanish

Speed and Space Management: Part 2 - Space

Length: 5:09

This video discusses the importance of managing the space around your vehicle while driving. It explains the importance of monitoring your following distance as well as considering the space above, below, and to the sides of your CMV.

Package: *Infini-I Workforce Trucking*

Course: *Speed and Space Management*

*Available in Spanish

Speed and Space Management: Part 3 - Stopping Distance

Length: 5:05

This video explains the importance of managing your stopping distance. It defines perception and reaction time and discusses the components that make up your braking distance.

Package: *Infini-I Workforce Trucking*

Course: *Speed and Space Management*

*Available in Spanish

Speed and Space Management, Part 4: Rollovers & Sideswipes

Length: 4:50

Understanding how to correctly monitor speed and space management is a key to safe driving. This video discusses accident prevention tips to avoid rollovers and sideswipes.

Course Name: *Trucking Industry*

Content Name: *Speed and Space Management*

*Available in Spanish

Speed and Space Management, Part 5: Incident Avoidance

Length: 3:41

Understanding how to correctly monitor speed and space management is a key to safe driving. This video discusses accident prevention tips to avoid incidents involving intersection collisions, being rear-ended, skidding, and jackknifing.

Course Name: *Trucking Industry*

Content Name: *Speed and Space Management*

*Available in Spanish

DRUG & ALCOHOL TRAINING

CBD and CDLs - Trucking

Length: 6:22

This video discusses the implications of using CBD as a CDL holder. It explains what CBD is and its legality regarding the Department of Transportation.

Package: *Infini-I Workforce Trucking*

Course: *CBD and CDLs - Trucking*

*Available in Spanish

Don't Drive Impaired

Length: 1:42

This video highlights the dangers of driving while impaired. It emphasizes how your vision and judgement are lacking in focus which increases the chance of fatal accidents.

Package: *Infini-I Workforce Trucking*

Course: *Don't Drive Impaired*

Drug and Alcohol Basics

Length: 8:25

This video will cover basic rules on alcohol and controlled substances, types of required tests, access to records, and the consequences for operating a CMV under the influence.

Package: *Infini-I Workforce Trucking*

Course: *Drug and Alcohol Basics*

Marijuana Use

Length: 4:40

This video addresses the existing regulations CMV drivers are subject to despite more states legalizing both recreational and medicinal marijuana. It reminds drivers of the DOT's drug test procedures and no-tolerance policy.

Package: *Infini-I Workforce Trucking*

Course: *Marijuana Use*

*Available in Spanish

REGULATORY OVERVIEW

Drug and Alcohol Clearinghouse

Length: 6:36

Drivers affected by the Drug and Alcohol Clearinghouse include interstate and intrastate motor carriers, school bus drivers, construction equipment operators, limousine drivers, municipal vehicle drivers, and others subject to FMCSA drug and alcohol testing regulations. This video covers driver notification, queries, testing refusals, and fees for usage of the clearinghouse.

Course Name: *Drug and Alcohol Clearinghouse*

Content Name: *Trucking Industry*

*Available in Spanish

Drug and Alcohol Clearinghouse – How to Register for Drivers

Length: PDF

Drivers must complete the registration process before they can respond to employer consent requests or access their driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. This PDF provides instructions for a driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP) to register and create an account.

Course Name: *Trucking Industry*

Content Name: *Drug and Alcohol Clearinghouse*

Drug and Alcohol Supervisor Training Section 1.1 Introduction to Drug and Alcohol Training

Length: 4:30

This video discusses the history of FMCSA mandated Drug and Alcohol Training and goes over some of the basic guidelines.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 1.*

Introduction to Drug and Alcohol Training

Drug and Alcohol Supervisor Training Section 1.2 How to Use These Guidelines

Length: 2:40

This video explains how to use and interpret drug and alcohol policy in the CFR. It discusses how employers can implement programs beyond the regulatory minimum and maximize program effectiveness.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 1.*

Introduction to Drug and Alcohol Training

Drug and Alcohol Supervisor Training Section 1.3 Other Resources

Length: 8:04

This video discusses additional material to supplement the CFR's guidelines on supervisory drug and alcohol policies. It also defines key terms like alcohol use, designated employer representative, consortium, and more.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 1.*

Introduction to Drug and Alcohol Training

Drug and Alcohol Supervisor Training Section 2.1 Regulations - Requirements

Length: 8:13

This video explains the regulatory requirements for a controlled substance use and alcohol misuse program. It discusses where to find the regulations within the CFR for elements such as evaluations, recordkeeping, testing and more.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 2.*

Regulations

Drug and Alcohol Supervisor Training Section 2.2 Regulations - Testing

Length: 7:55

This video explains regulatory substance and alcohol testing procedures. It discusses the different types of testing required as well as the importance of local and state compliance.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 2.*

Regulations

Drug and Alcohol Supervisor Training Section 2.3 Regulations - Failure to Comply

Length: 1:52

This video explains the consequences of failing to comply with the FMCSA's drug and alcohol policy guidelines. It discusses civil and criminal penalties, highlighting the difference in violation assessments.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 2.*

Regulations

Drug and Alcohol Supervisor Training Section 3.1 Regulations - Policy Development and Communication

Length: 4:09

This video explains how to develop a written policy on controlled substance use and alcohol misuse in the workplace.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 3.*

Policy Development and Communication

Drug and Alcohol Supervisor Training Section 3.2 Regulations - Prohibited Behavior

Length: 2:52

This video emphasizes the importance of outlining prohibited behaviors in a company's testing policy. It also discusses acceptable BAC levels and relevant consequences.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 3.*

Policy Development and Communication

Drug and Alcohol Supervisor Training Section 3.3 Regulations - Testing Procedures

Length: 3:40

This video outlines proper testing procedures for controlled substances. It explains the different types of tests as well as relevant consequences.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 3.*

Policy Development and Communication

Drug and Alcohol Supervisor Training Section 3.4 Regulations - Policy Communication

Length: 7:36

This video describes how a company should openly communicate with its employees about the testing policy. It explains different methods of communication and offers suggestions on effective implementation.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 3.*

Policy Development and Communication

Drug and Alcohol Supervisor Training Section 4.1 Education and Training - Overview

Length: 6:45

This video explains the importance of educating employees about their company's controlled substance policies and testing programs. It also discusses what FMCSA regulations employers are subject to regarding EAPs.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 4.*

Education and Training

Drug and Alcohol Supervisor Training Section 4.2 Education and Training - Alcohol

Length: 11:57

This video provides an overview on alcohol and its effects. It describes distinguishing characteristics of alcohol and explains blood alcohol concentration.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 4.*

Education and Training

Drug and Alcohol Supervisor Training Section 4.3 Education and Training - Cocaine

Length: 6:30

This video provides an overview on cocaine and its effects. It describes distinguishing characteristics of cocaine and discusses common street names for the drug.

Package: *Drug and Alcohol Supervisor Training*

Course: *Drug and Alcohol Supervisor Training Section 4.*

Education and Training

Drug and Alcohol Supervisor Training Section 4.4 Education and Training - Amphetamines

Length: 6:01

This video provides an overview on amphetamines and their effects. It discusses common street names, intake methods, and withdrawal symptoms.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 4.

Education and Training

Drug and Alcohol Supervisor Training Section 4.5 Education and Training - Marijuana

Length: 8:06

This video provides an overview on marijuana and its effects. It discusses common street names for the drug as well as its distinguishing characteristics.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 4.

Education and Training

Drug and Alcohol Supervisor Training Section 4.6 Education and Training - Opiates

Length: 5:13

This video provides an overview on opiates and their effects. It discusses the drug's distinguishing characteristics as well as common street names.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 4.

Education and Training

Drug and Alcohol Supervisor Training Section 4.7 Education and Training - PCP

Length: 5:52

This video provides an overview on PCP and its effects. It discusses the drug's distinguishing characteristics as well as common street names.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 4.

Education and Training

Drug and Alcohol Supervisor Training Section 4.8 Education and Training - Semi-Synthetic Opioids

Length: 5:43

This video provides an overview on semi-synthetic opioids and their effects. It also discusses the opioid drug testing procedures.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 4.

Education and Training

Drug and Alcohol Supervisor Training Section 5.1 Types of Testing - Pre-Employment

Length: 4:49

This video discusses the requirements for pre-employment controlled substance testing. It includes several examples of required testing, as well as information on exceptions.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.2 Types of Testing - Exception Recordkeeping

Length: 12:15

This video explains recordkeeping regulations for exceptions to testing. It also discusses what information companies need from their driver's previous employers regarding substance testing.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.3 Types of Testing - Reasonable Suspicion

Length: 5:55

This video explains the parameters of reasonable suspicion testing. It discusses what supervisors must witness to warrant a reasonable suspicion test as well as documentation procedures.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.4 Types of Testing - Post-Accident

Length: 7:58

This video explains the requirements for post-accident testing. It discusses examples of post-accident testing scenarios and provides a short overview of the steps that should follow.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.5 Types of Testing - Random

Length: 16:55

This video explains the requirements for random drug or alcohol testing. It discusses selection techniques, rates, pools, and time frames.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.6 Types of Testing - Return-to-Duty

Length: 1:48

This video explains the requirements for return-to-duty testing. It discusses various scenarios that warrant a return-to-duty test and describes the purpose of it.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.7 Types of Testing - Follow-Up

Length: 1:15

This video explains the requirements for follow-up testing. It discusses the frequency of these tests and the average time frame.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 5.8 Types of Testing - Proficiency

Length: 2:36

This video explains the requirements for proficiency testing. It discusses the amount of blind specimens to be sent and the purpose of this testing.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 5.

Types of Testing

Drug and Alcohol Supervisor Training Section 6.01 Controlled Substances - Introduction

Length: 2:58

This video provides an overview for controlled substances testing procedures. It discusses the different types of substances that should be tested for and additional testing authority information.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.02 Controlled Substances - Driver Checklist

Length: 5:06

This video explains the driver specimen collection checklist. It also explains instructions for how the sample will be taken at the collection site.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.03 Controlled Substances - Collection Site Personnel

Length: 3:01

This video discusses the rules and regulations required for the training and conduct of collection site personnel.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.04 Controlled Substances - Specimen Collection

Length: 2:49

This video explains what a collection site is and regulations regarding specimen samples. It discusses different types of collection sites and explains how to determine if a sample has been diluted.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.05 Controlled Substances - Collection Supplies

Length: 3:04

This video explains what supplies are necessary for a specimen collection. It discusses different types of collection devices and relevant recordkeeping procedures.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.06 Controlled Substances - Collection Process

Length: 11:55

This video explains the key steps in the specimen collection process. It discusses the collection's role in a controlled substance testing program and laboratory responsibilities.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.07 Controlled Substances - Lab Test Requirements

Length: 3:45

This video discusses the requirements for laboratory testing. It includes certified laboratory information as well as testing techniques.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.08 Controlled Substances - Medical Review Officer

Length: 5:43

This video explains the requirements and functions of a medical review officer. It discusses specimen collection information as well as result notifications.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.09 Controlled Substances - Positive Test Results

Length: 1:40

The video explains possible reasons for positive test results. It also discusses legitimate medical treatment options.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.10 Controlled Substances - Reporting Positive Results

Length: 3:01

This video discusses the requirements an MRO must follow for reporting a verified positive test. It also explains the CCF and form information.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.11 Controlled Substances - MRO Discussions

Length: 2:40

This video explains what information an MRO must discuss with a driver after test results are confirmed. It explains the verification process and further medical evaluation information.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 6.12 Controlled Substances - Collection Site Check

Length: 24:33

This video provides a 23-step checklist for collection sites to follow. It discusses the responsibilities of the collection site, employer, and employee.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 6.

Controlled Substances Testing Procedures

Drug and Alcohol Supervisor Training Section 7.01 Alcohol - Introduction

Length: 2:31

This video provides a brief overview of what should be included in an effective alcohol testing program. It explains when and how drivers should be tested and specifies what various BAC levels indicate.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.02 Alcohol - Evidential Breathing Test Device

Length: 3:16

This video explains how evidential breath tests work and regulations surrounding this testing method. It also explains what should be in a manufacturer-developed quality assurance plan.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.03 Alcohol - Breath Alcohol Technician

Length: 1:49

This video explains the role of a breath alcohol technician. It discusses how employers can designate a BAT and what training they should have.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.04 Alcohol - Alcohol Testing Site

Length: 3:55

This video explains what constitutes an acceptable alcohol testing site. It discusses the importance of privacy and what steps to take if you anticipate needing alcohol testing services.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.05 Alcohol - Alcohol Testing Process

Length: 1:54

This video further explains proper alcohol testing procedures with an emphasis on the importance of recordkeeping. It discusses what forms drivers must fill out as well as who should receive copies.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.06 Alcohol - EBT Screening Test

Length: 1:00

This video describes the evidential breath test screening process and explains the role of a breath alcohol technician.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.07 Alcohol - ASD Screening Test

Length: 3:33

This video describes the ASD screening test process and how it compares to EBT alcohol testing. It also discusses the role of the STT and their job functions.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.08 Alcohol - Confirmation Test

Length: 3:37

This video explains what warrants a confirmation test and how they work. It discusses the role of the BAT in this process and how the EBT will be used.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.09 Alcohol - Reporting

Length: 1:49

This video explains recordkeeping regulations for breath alcohol technicians. It emphasizes the importance of confidentiality and discusses the refusal of tests.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.10 Alcohol - Test Accuracy

Length: 1:39

This video explains the parameters of what constitutes an accurate alcohol test. It emphasizes factors and scenarios that invalidate a test.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.11 Alcohol - Substance Abuse Professional

Length: 3:48

This video discusses the role of a substance abuse professional and what an evaluation may consist of. It also explains when an employee should be seen by an SAP.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.12 Alcohol - Alcohol Related Conduct

Length: 2:52

This video explains what is considered acceptable or unacceptable alcohol related conduct for professional drivers. It discusses BAC levels, testing procedures and consequences.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 7.13 Alcohol - Dry Run of the Program

Length: 1:28

This video describes a dry run period to test and start your actual testing program. This video explains how a dry run test works. It discusses how you can conduct a trial period of your testing program.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 7. Alcohol

Testing Procedures

Drug and Alcohol Supervisor Training Section 8.1 Employee Assistance - Overview

Length: 3:43

This video discusses the various assistance programs, rehabilitation and treatment options for employees suffering from substance abuse. It also explains the role of a Substance Abuse Professional within the available EAPs.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training

Drug and Alcohol Supervisor Training Section 8.2 Employee Assistance - EAPs

Length: 4:48

This video explains what an employee assistance program, or EAP is. It covers internal and external EAPs and briefly covers what may be included in an EAP.

Course Name: Drug & Alcohol

Content Name: Drug and Alcohol Training,

Sec. 8 Employee Assistance Programs

Drug and Alcohol Supervisor Training Section 8.3 Employee Assistance - Rehabilitation and Treatment

Length: 4:43

This video discusses the different types of rehabilitation and treatment options commonly available in Employee Assistance Programs. It covers inpatient and outpatient services and emphasizes the importance of weighing options to decide what program is best for your company.

Course Name: Drug & Alcohol

Content Name: Drug and Alcohol Training,

Sec. 8 Employee Assistance Programs

Drug and Alcohol Supervisor Training Section 9.1 Administration - Recordkeeping

Length: 2:19

This video explains recordkeeping procedures for an alcohol and controlled substances testing program. It discusses administration records, test results, and regulations for consortiums.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 9.

Administration

Drug and Alcohol Supervisor Training Section 9.2 Administration - Documentation

Length: 2:13

This video explains the documentation requirements for recordkeeping or reporting. It discusses testing program details, information verification, and release forms.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 9.

Administration

Drug and Alcohol Supervisor Training Section 9.3 Administration - Confidentiality

Length: 5:28

This video discusses employee confidentiality regarding test results. It explains how release forms work and how records should be disclosed.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 9.

Administration

Drug and Alcohol Supervisor Training Section 9.4 Administration - Testing Laboratory Procedures

Length: 8:33

This video explains the mandatory testing procedures for a substance and alcohol testing program. It discusses sample collecting, documentation, and test results.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 9.

Administration

Drug and Alcohol Supervisor Training Section 9.5 Administration - Calendar

Length: 2:16

This video explains how to prepare and maintain an annual calendar year summary of a controlled substance testing program. It discusses how the FMCSA reviews calendar summaries and relevant consortium information.

Package: Drug and Alcohol Supervisor Training

Course: Drug and Alcohol Supervisor Training Section 9.

Administration

REASONABLE SUSPICION TRAINING

01. Reasonable Suspicion - Supervisor Training - Part 1

Length: 3:30

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on the key issues of creating and implementing a reasonable suspicion testing company policy.

Package: Infnit-I Workforce Trucking

Course: Reasonable Suspicion

02. Reasonable Suspicion - Supervisor Training - Part 2

Length: 7:09

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on a drug-free workplace policy that emphasizes who, what, when, where and why supervisors should conduct reasonable suspicion testing.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

03. Reasonable Suspicion - Supervisor Training - Part 3

Length: 9:36

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on the harmful effects of drugs and includes key statistics on national drug use and the rise of prescription medication addiction. It also explains how drug addiction is a brain disease and outlines the cost of drug and alcohol abuse.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

04. Reasonable Suspicion - Supervisor Training - Part 4

Length: 16:42

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on the abuse of prescription medications like pain relievers, tranquilizers, stimulants, and sedatives. Rannigana also discusses club drugs, inhalants, and synthetic marijuana.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

05. Reasonable Suspicion - Supervisor Training - Part 5

Length: 13:36

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on knowing when to test for alcohol use. It covers pre-employment testing, random testing, post-accident testing, and return to duty/follow-up testing.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

06. Reasonable Suspicion - Supervisor Training - Part 6

Length: 15:10

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment explains what establishes cause for reasonable suspicion. It discusses immediate action issues like safety risks, and non-immediate action issues like attendance and tardiness.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

07. Reasonable Suspicion - Supervisor Training - Part 7

Length: 6:30

In this video, Michael Rannigana, owner and operator of USA Mobile Drug Testing, discusses supervisor training requirements and general best practices regarding reasonable suspicion testing. This segment focuses on understanding and following your company policy. It reiterates the importance of knowing when to test and keeping everything confidential.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

08. Reasonable Suspicion - Minimum Annual Testing Rate

Length: 1:28

This video discusses the minimum annual controlled substances testing rate for CDL drivers. It compares the old standard to the new rate as published by the FMSCA.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

09. Reasonable Suspicion - What Exactly am I Supposed to Do?

Length: 8:31

This video discusses what you should and should not do if you have reasonable suspicion to test an employee for controlled substances. It also explains the DOT supervisor's guide on what reasonable suspicion tests should be determined by.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

10. Reasonable Suspicion - How Do I Tell Them?

Length: 4:58

This video explains how to approach an employee about referring them for a reasonable suspicion substance test. It discusses how to talk to them during this situation, as well as the importance of giving the employee a chance to explain their symptoms.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

11. Reasonable Suspicion - What Decision Would You Make - 1

Length: 6:34

This video provides example scenarios of how to proceed with a reasonable suspicion test with reluctant employees. It explains the significance of supervisor discretion and their ability to listen to and observe employee behavior.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

12. Reasonable Suspicion - What Decision Would You Make - 2

Length: 7:42

This video provides an example scenario of how to proceed with a reasonable suspicion test with defiant employees. The example emphasizes the importance of recognizing safety critical roles and preventing impaired employees from continuing work.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

13. Reasonable Suspicion - What Decision Would You Make - 3

Length: 3:09

This video provides an example scenario of how to manage employees who refuse to take a reasonable suspicion test. It emphasizes how to remain compliant with company policy despite employee emotional appeal.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

14. Reasonable Suspicion - What Decision Would You Make - 4

Length: 3:58

This video explains how it is the duty of the supervisor who observes an employee's suspicious behavior to refer them for a reasonable suspicion test. The provided example explains it is wrongful for the observing supervisor to have a different supervisor, who did not observe any suspicious signs, refer an employee for a test.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

15. Reasonable Suspicion - Supervisor Liability

Length: 5:37

This video explains how a supervisor can become an enabler by making exceptions about referring employees for a reasonable suspicion test. It emphasizes how the company is liable for an employee's actions while they're on duty, and that letting substance abuse slide can lead to financial, moral, and criminal liability.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

16. Reasonable Suspicion - Review

Length: 11:13

This video discusses the five federal reasons for drug testing employees. It outlines the common symptoms to observe for various drugs as well as emphasizes the importance of staying focused while facing employee denial.

Package: *Infini-I Workforce Trucking*

Course: *Reasonable Suspicion*

ENTRY LEVEL DRIVER TRAINING REQUIREMENTS

ENTRY LEVEL DRIVER TRAINING REQUIREMENTS

Basic Control

Length: 9:02

This video demonstrates basic control techniques for a commercial motor vehicle. It details accelerating, steering, stopping, backing, turns, entering and exiting roadways, and handling your vehicle.

Course Name: *Entry Level Driver Training - Trucking*

Content Name: *Basic Control*

*Available in Spanish

General Orientation

Length: 10:02

This video covers general orientation guidelines including such topics as safe driving, operating within the confines of state and federal law, and following FMCSA regulations.

Course Name: *Entry Level Driver Training - Trucking*

Content Name: *General Orientation*

General Qualifications

Type: *PDF Document*

This document covers qualifications to drive a CMV.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *General Qualifications*

Responsibilities of Drivers

Type: *PDF Document*

This document covers driver responsibilities in regards to cargo.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Responsibilities of Drivers*

Disqualification of Drivers

Type: *PDF Document*

This document covers ways a CDL is suspended and penalties drivers may receive.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Disqualification of Drivers*

Physical Qualifications for Drivers

Type: *PDF Document*

This document covers physical qualifications for drivers and what conditions require a medical certification.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Physical Qualifications for Drivers*

Persons Who Must be Medically Examined & Certified

Type: *PDF Document*

This document covers the conditions that require a medical exam.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Persons Who Must Be Medically Examined and Certified*

Resolution of Conflicts of Medical Evaluation

Type: *PDF Document*

This document covers what standards must be met before applications claiming conflict of medical examination can be accepted.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Resolution of Medical Evaluation Conflicts*

Alternative Physical Qualification

Type: *PDF Document*

This document covers an alternate certificate a driver may apply for if they have missing or impaired limbs.

Course Name: *Entry Level Driver Training Requirements*

Content Name: *Alternative Physical Qualification*

Rest Stop Routines

Length: 6:01

This video discusses simple exercises drivers can do on their breaks to stay healthy. It also explains the regulations regarding driving breaks and what duties must be performed at every stop.

Course Name: *Rest Stop Routines*

Content Name: *Rest Stop Routines*

*Available in Spanish

Trucking Professionals - Health and Wellness

Length: 7:39

This video describes and encourages various practices to promote a healthy lifestyle for professional truck drivers. It explains the importance of diet, exercise, sleep, and stress management. It also emphasizes the dangers of alcohol and smoking.

Course Name: Driver Health

Content Name: Trucking Professionals - Health and Wellness

*Available in Spanish

Whistleblower Protection

Length: 7:15

This video discusses whistleblower rights, the whistleblower laws enforced by OSHA, unfavorable personnel actions, filing a complaint, how OSHA determines retaliation has taken place, limited protection for employees who refuse to work, and whistleblower protections.

Course Name: Entry Level Driver Training Requirements

Content Name: Whistleblower Protection

FSMA: SANITARY TRANSPORTATION RULE

FSMA FDA APPROVED TRAINING

Cross-Contamination

Length: 9:20

This video defines cross-contamination, discusses some of the ways it can happen, and instructs on ways to prevent it.

Course Name: Trucking Industry

Content Name: Food Safety Modernization Act

Sanitary Transportation Rule

Length: 11:37

This video discusses the Sanitary Transportation Rule, who it applies to, and many of its critical elements.

Course Name: Trucking Industry

Content Name: Food Safety Modernization Act

Temperature Control

Length: 9:51

This video discusses the types of food requiring temperature control and how to prevent temperature abuse.

Course Name: Trucking Industry

Content Name: Food Safety Modernization Act

Types of Contamination

Length: 8:38

This video discusses some types and sources of contamination.

Course Name: Trucking Industry

Content Name: Food Safety Modernization Act

FOOD SAFETY INVESTIGATIONS

Food Safety Investigation

Length: 7:02

This video discusses conditions that could pose a threat to food safety and actions to take if threats are encountered.

Course Name: Trucking Industry

Content Name: Food Safety Investigation

FSMA RULE OVERVIEW

FSMA Imports

Length: 4:39

This video discusses the effect of the Food Safety Modernization Act on food imports and why the changes are necessary.

Course Name: Trucking Industry

Content Name: FSMA Imports

FSMA Inspections & Compliance

Length: 3:52

This video discusses the inspection and compliance criteria established by the FSMA.

Course Name: Trucking Industry

Content Name: FSMA Inspections & Compliance

FSMA Intro & Overview Part 1

Length: 9:40

This video discusses the Food Safety Modernization Act (FSMA), providing an overview of prevention standards. It discusses standards for inspections, compliance, and response.

Course Name: Trucking Industry

Content Name: FSMA Intro & Overview

FSMA Intro & Overview Part 2

Length: 6:34

This video details the overview of import safety, the vital nature of partnership, the approach to implementation, and several of the challenges involved in the FSMA.

Course Name: Trucking Industry

Content Name: FSMA Intro & Overview

FSMA Preventative Controls

Length: 4:21

This video discusses the preventative controls being created by the FSMA and how they can benefit consumers and the industry.

Course Name: Trucking Industry

Content Name: FSMA Preventative Controls

SPOTTED LANTERNFLY

Spotted Lanternfly

Length: 6:24

This video discusses the threat spotted lanternfly impose on crops and industries working within the quarantine zones, as well as the proper procedure for obtaining permits to work within the quarantined zones.

Course Name: Trucking Industry

Content Name: Spotted Lanternfly

*Available in Spanish

FUEL EFFICIENCY

FUEL EFFICIENCY

1. Fuel Efficiency - Why Be Fuel Efficient

Length: 2:55

This video introduces the Fuel Efficiency Series. It explains why it's important to be fuel-efficient and how it benefits drivers, companies, and the planet. It also covers which topics will be discussed throughout the series.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Why Be Fuel Efficient

2. Fuel Efficiency - Maintenance

Length: 3:56

This video discusses the importance of regular vehicle maintenance and pre/post-trip inspections regarding fuel efficiency. It emphasizes how different types of oil, tires, and aerodynamic drag can affect your fuel consumption.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Maintenance

3. Fuel Efficiency - Tires

Length: 5:46

This video emphasizes the impact tires have on your fuel efficiency. It discusses the importance of regular alignment, rotating, and balancing, as well as the significance of tread depth and proper inflation.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Tires

4. Fuel Efficiency - Route Management

Length: 5:14

This video discusses how route planning can improve your fuel efficiency by knowing where you plan to stop and avoiding out-of-route miles. It also touches on how turning right can save more fuel than turning left.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Route Management

5. Fuel Efficiency - Weight Management

Length: 5:38

This video explains how important vehicle weight management is for improving fuel efficiency. It discusses alternative options for lightweight vehicle components and the importance of properly distributing your load across your trailer.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Weight Management

6. Fuel Efficiency - Speed

Length: 5:32

This video discusses the relationship between speed and fuel consumption. It emphasizes how driving a little slower can dramatically improve your fuel efficiency. It also discusses the advantages of coasting and keeping a consistent speed by using cruise control.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Speed

7. Fuel Efficiency - Progressive Shifting

Length: 6:29

This video explains how learning progressive shifting can improve your fuel efficiency. It discusses the relationship between RPM and torque, as well as emphasizes the technique is one to be mastered over time.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Progressive Shifting

8. Fuel Efficiency - Idling

Length: 4:37

This video explains how idling your vehicle wastes an enormous amount of fuel. It discusses the consequences of idling, alternatives to idling, and how idling less drastically improves your fuel efficiency.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - Idling

9. Fuel Efficiency - ROI

Length: 3:30

This video discusses the return on investment of being fuel efficient. It reiterates the topics discussed throughout the fuel efficiency series and details how implementing these techniques can save you fuel and money.

Course Name: Fuel Efficiency

Content Name: Fuel Efficiency - ROI

HAZMAT TRAINING

HAZARDOUS MATERIALS TRAINING

Hazardous Materials: Initial and Recurrent Training - Blocking and Bracing

Length: 4:19

This video discusses the ins and outs of blocking and bracing a load. It details the costs of not blocking correctly and discusses responsibility as well as several types of restraints that can be used.

Package: Infinit-I Workforce - Hazardous Materials Training

Course: Hazardous Materials: 90 Day/Recurrent Training

*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Emergency Response Guide - Part 1

Length: 7:18

This video discusses the basics of how to use the Emergency Response Guide and some of the differences between the 2012 and 2016 versions.

Package: Infinit-I Workforce - Hazardous Materials Training

Course: Hazardous Materials: 90 Day/Recurrent Training

*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Emergency Response Guide - Part 2

Length: 10:16

This video discusses in further depth how to use the different sections in the Emergency Response Guide. It details using the different sections for different situations.

Package: Infinit-I Workforce - Hazardous Materials Training

Course: Hazardous Materials: 90 Day/Recurrent Training

Hazardous Materials: Initial and Recurrent Training - Emergency Response Guide - Part 3

Length: 14:55

This video discusses several examples of how to use the emergency response guide correctly.

Package: Infinit-I Workforce - Hazardous Materials Training

Course: Hazardous Materials: 90 Day/Recurrent Training

*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - General Awareness - Part 1

Length: 8:06

This video discusses the overview, purpose, and regulation of Hazmat general awareness. It details pre-transportation functions, transportation functions, training requirements, and record keeping.

Package: Infinit-I Workforce - Hazardous Materials Training

Course: Hazardous Materials: 90 Day/Recurrent Training

Hazardous Materials: Initial and Recurrent Training - General Awareness - Part 2

Length: 10:43

This video discusses hazard classifications and the SDS. It details composition, firefighting measures, chemical properties, and toxicological information in relation to the SDS.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training

Hazardous Materials: Initial and Recurrent Training - General Awareness - Part 3

Length: 8:31

This video discusses the Hazardous Materials Table in depth. It also details how to recognize hazardous materials and the penalties for hazardous materials violations.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training

Hazardous Materials: Initial and Recurrent Training - Labeling

Length: 7:12

This video discusses the labeling requirements for the transportation of hazardous materials. Multiple examples are discussed in this video.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Marking

Length: 9:52

This video discusses the various package markings required for hazardous materials transport. Several examples are used to detail different situations.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Packaging

Length: 10:30

This video discusses the DOT requirements for packaging hazardous materials.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Placarding

Length: 6:49

This video discusses the proper placarding for hazardous material transport. Several examples are discussed and placarding Table 1 and Table 2 are highlighted.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Shipping Papers - Part 1

Length: 5:36

This video discusses how to properly fill out shipping papers when transporting hazardous materials. It also highlights listing Hazardous Substances on shipping papers.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Hazardous Materials: Initial and Recurrent Training - Shipping Papers - Part 2

Length: 7:33

This video continues to discuss how to properly fill out shipping papers when transporting hazardous materials. It highlights marine pollutants, emergency numbers and response information, and certification.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Hazardous Materials: 90 Day/Recurrent Training
*Available in Spanish

Route Management for Hazardous Materials 

Length: 6:12

This video discusses how to select and drive on routes for trucks carrying hazardous materials. It explains certain route restrictions and regulations for driving and parking for hazmat trucks.

Package: Infnit-I Workforce - Hazardous Materials Training
Course: Route Management for Hazardous Materials

HAZMAT MOTOR CARRIER SECURITY ACTION ITEM TRAINING

Introduction

Length: 2:00

Introduction into why this training is important for all trucks traveling on highways, including awareness of potential threats and how working together can help prevent security threats.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

The Plan

Length: 5:40

Discusses the security plan your company prepares for specific security measures you are required to follow to keep your load or truck from being tampered with.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

The Team

Length: 3:14

Discusses the 4 categories in a security plan and how departments work together to prevent security breaches.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

En-Route Security

Length: 3:12

This video goes over important elements of the security plan and explains what checking for ticks means.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

Communications

Length: 2:56

Discusses importance of all departments communicating together to properly implement a security plan.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

Pre-Planning

Length: 3:21

This video goes over planning your route, stops, and hours, being prepared for delays, and your security plan.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

Up to You

Length: 2:12

This video goes over how the plan is only as good as the driver that put it into practice, so in other words the security plan of your company is up to the driver.

Course Name: Trucking Industry
Content Name:: Hazmat Motor Carrier Security Action Item Training

GHS TRAINING

Part 1: Introduction

Length: 2:39

Introduction to the new unified, worldwide system of hazard communication called the Global Harmonization System (GHS).

Course Name: Trucking Industry
Content Name:: GHS

Part 2: Hazard Categories

Length: 5:19

Discusses the three categories of hazards: physical, health, and environmental, plus other hazards not classified under GHS.

Course Name: Trucking Industry
Content Name:: GHS

Part 3: Labels

Length: 5:09

Discusses new labeling changes with GHS. Shows sample of label and discusses the components of the label. Product Identifier, Supplier Identification, Precautionary Statements, Hazard Pictograms, Hazard Statements, Signal Words and Supplemental Information.

Course Name: Trucking Industry
Content Name:: GHS

Part 4: Pictograms

Length: 4:12

Discusses each of the 9 pictograms utilized by the GHS system.

Course Name: Trucking Industry
Content Name:: GHS

Part 5: SDS

Length: 3:06

Discusses the Safety Data Sheet (SDS) replacing the Material Safety Data Sheet (MSDS), including the 16 standard headings.

Course Name: Trucking Industry
Content Name:: GHS

DOT MEDICAL EXAMS

DOT Medical Forms Update - Part 1

Length: 9:40

Lawrence Earl, M.D., discusses the Medical Examination Report Form and the changes from the previous version.

Course Name: Trucking Industry
Content Name:: DOT Medical Forms Update - April 2016

DOT Medical Forms Update - Part 2

Length: 11:49

Lawrence Earl, M.D., continues discussing the Medical Examination Report Form and changes from prior forms.

Course Name: Trucking Industry
Content Name:: DOT Medical Forms Update - April 2016

DOT Medical Requirements

Length: 7:12

This video discusses how you can prepare for the DOT medical exam. It outlines the form you will fill out, explains what you should bring to the exam, and provides an overview of common medical conditions that could affect your exam results.

Package: Infnit-I Workforce Trucking
Course: DOT Medical Requirements

FATIGUE MANAGEMENT

Fatigue Management – Part 1: What You Need to Know

Length: 4:39

Getting proper rest is crucial to safety on the road. Part one of this training Content Name: covers the importance of sleep, details about having a sleep schedule, how health issues can affect fatigue levels, and the reality of what "short-term fixes" can really do for you.

Course Name: Trucking Industry
Content Name:: Fatigue Management
*Available in Spanish

Fatigue Management – Part 2: Preventing Fatigued Driving

Length: 4:43

Learn the specific symptoms of fatigue and sleep disorders and the best methods of staving off fatigue while working on the road.

Course Name: Trucking Industry
Content Name:: Fatigue Management
*Available in Spanish

Sleep Apnea

Length: 5:39

This video explains what sleep apnea is and how it can endanger drivers. IT also discusses applicable FMCSA regulations for CMV drivers who have sleep apnea.

Package: Infnit-I Workforce Trucking
Course: Sleep Apnea

HEALTHY TRUCKERS

H1N1 Virus Prevention

Length: 3:33

Learn effective preventative and disinfectant measures to take in dealing with the dangerous H1N1, or Swine Flu Virus.

Course Name: Trucking Industry
Content Name:: H1N1 Virus Prevention – Truck

Trucking Professionals Nutrition and Health

Length: 14:12

Explains the consequences of living an unhealthy lifestyle.

Course Name: *Trucking Industry*

Content Name: *Trucking Professionals Nutrition and Health*

FIRST AID TRAINING

Bleeding

Length: 3:12

This video begins with the basic first aid kit and what the contents should include. Minor mishaps like cuts and scrapes are common causes of bleeding; how to treat all types of bleeding, including severe bleeding situations that require the use of a tourniquet and how to apply dressings and monitor severe bleeding.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

CPR

Length: 6:31

Timely application of cardiopulmonary resuscitation (CPR) has been credited with saving lives. This video reviews standard CPR techniques that every employee should be aware of for saving lives at work and at home.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

Heart Attack

Length: 2:00

This video covers heart attack symptoms, how to react, and how to potentially save a heart attack victim.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

Near Drowning

Length: 2:55

This video discusses the dynamics of near drowning and how to rescue a person from water and administer emergency actions.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

Poison & Overdose

Length: 1:52

This video discusses poison and overdose symptoms, countermeasures that should be followed for specific episodes, and care and treatment for suspected victims.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

Shock

Length: 3:00

This is an overview of emergency first aid, Good Samaritan laws, and the causes, symptoms and treatment for shock victims.

Course Name: *Warehouse, Distribution, & Maintenance*

Content Name: *Emergency First Aid*

INSPECTIONS

Exterior Power Unit and Trailer Inspection

Length: 8:37

This video discusses the importance and proper procedure for inspecting the exterior power unit and trailer before transit. It demonstrates this portion of the Pretrip inspection.

Package: *Infinitt-I Workforce Trucking*

Course: *Pretrip*

External Communication

Length: 10:01

This video will discuss the roadside vehicle inspection process, what to expect during this process, techniques for communicating with enforcement officials, and the impact of violating federal and state regulations on driver and motor carrier records.

Package: *Infinitt-I Workforce Trucking*

Course: *External Communication*

*Available in Spanish

ROADSIDE INSPECTIONS

Roadside Inspection – Initial Stop and Contact

Length: 6:18

This video discusses proper conduct for a roadside inspection while touching on the types of materials a driver will need ready, including ELD information.

Course Name: *Trucking Industry*

Content Name: *Roadside Inspection – Initial Stop and Contact*

Tire Inspection

Length: 5:54

This video discusses guidelines for passing roadside inspections on wheels and tires. It also presents the regulations on tires defined by the Federal Motor Carrier Safety Administration and the Commercial Vehicle Safety Alliance.

Package: *Infinitt-I Workforce Trucking*

Course: *Tire Inspection*

PRE-TRIP INSPECTIONS

Tanker: Pre-trip Inspection – Part 1

Length: 9:38

This video details pre-trip inspection rules and regulations by walking through the under the hood and in the cab portions of a pre-trip inspection.

Course Name: *Trucking Industry*

Content Name: *Tanker: Pre-Trip Inspection*

Tanker: Pre-trip Inspection – Part 2

Length: 12:15

This video details the items to inspect during the walk around portion of a pre-trip inspection.

Course Name: *Trucking Industry*

Content Name: *Tanker: Pre-Trip Inspection*

Cabin Interior – Pretrip Checklist

Length: 7:44

This video goes through the FMCSA checklist for a CMV cabin interior pre-trip inspection. It provides a rundown of what to look for in the cabin as well as brief instructions on how to properly check said elements.

Package: *Infinitt-I Workforce Trucking*

Course: *Pretrip*

*Available in Spanish

Pretrip Approach and Maintenance

Length: 10:45

This video will focus on the first portion of a pre-trip inspection, approach, and maintenance. First, we'll discuss the importance of this type of inspection. Then we'll cover the approach and under the hood and engine compartment section. We'll also cover which includes reviewing the Vehicle Inspection Report.

Package: *Infinitt-I Workforce Trucking*

Course: *Drug and Alcohol Basics*

Pre-Trip Component Inspection

Length: 5:26

This video explains what drivers should check for during a multi-point inspection of their rig components. This pre-trip inspection should consist of checking items like the cooling system, belt engine, transmission gears, wheel assembly, and more.

Package: *Infinitt-I Workforce Trucking*

Course: *Pre and Post Trip Inspections*

*Available in Spanish

Wheel End Component Inspection

Length: 11:31

This video discusses what to check for during a wheel-end inspection. It includes an overview of the general components, an inspection checklist and techniques, signs of notable wheel-end problems, and touches on the risk of a wheel-end fire.

Package: *Infinitt-I Workforce Trucking*

Course: *Wheel-End Component Inspection*

*Available in Spanish

LAWS & LITIGATION ISSUES

AT THE SCENE OF AN ACCIDENT

Be Concerned About Litigation

Length: 9:50

Attorney Mike Bassett discusses why all carriers, safety directors, and drivers should be concerned about the possibility of litigation after an accident. This video features advice to help you mitigate your risk before an accident ever happens.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

Trucking Companies Are Targets

Length: 5:00

Attorney Mike Bassett warns some law firms target trucking companies for lawsuits. He also explains how these attorney's commercials can expose potential jurors to preconceived ideas about the industry.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

Do What You Say You'll Do

Length: 11:20

Attorney Mike Bassett discusses how damaging it can be for a trucking company to not follow its own rules. He highlights how juries pay close attention to if companies actually do what they say in terms of driver qualification, acting on red flags, document retention, and consistent treatment of situations.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

Responding to the Catastrophic Accident

Length: 5:50

Attorney Mike Bassett explains why companies should have standardized procedures in place for drivers to follow after a catastrophic accident, including who to notify and next steps.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

What to Gather at the Scene

Length: 4:30

Attorney Mike Bassett discusses the nine critical things to gather at the time of an accident, including what happens if you are not proactive in collecting them.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

The Care of Your Driver

Length: 8:00

Attorney Mike Bassett explains how to prepare your drivers to be positive members of your defense team. He highlights the impact of having a driver or driver statement go before a jury.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

Questions

Length: 8:00

Attorney Mike Bassett answers questions from webinar attendees on topics including: verifying applicant's' previous employment, hands-free devices while driving, the use of on-board cameras, and documentation at the accident scene.

Course Name: *Trucking Industry*

Content Name: *Accidents Happen Webinar*

Accidents Happen

Length: 1:04:24

Attorney Mike Bassett shares how before an accident happens, your company needs a plan in place to ensure everyone knows the appropriate responses to make on the scene and throughout the investigation. *(This webinar is also available to be viewed in shorter segments).*

Course Name: *Best Practices Webinars*

Content Name: *2016 Webinars*

ELD MANDATE & COERCION Electronic Logging Device Mandate - 2016

Length: 8:49

This video discusses the ELD Mandate, important information for carriers and drivers regarding the rule, and the dates for the implementation timeline.

Course Name: *Trucking Industry*

Content Name: *Electronic Logging Device Mandate - 2016*

FMCSA Coercion Drivers

Length: 5:56

The Coercion Rule explicitly prohibits motor carriers, shippers, receivers and transportation intermediaries from coercing drivers to operate in violation of certain FMCSA regulations. This video discusses the Coercion Rule and how it applies to drivers.

Course Name: *Trucking Industry*

Content Name: *FMCSA Coercion*

*Available in Spanish

FMCSA Coercion Supervisors

Length: 6:14

The Coercion Rule explicitly prohibits motor carriers, shippers, receivers and transportation intermediaries from coercing drivers to operate in violation of certain FMCSA regulations. This video discusses the Coercion Rule and why it is important for personnel who interact with drivers to cautiously choose their language.

Course Name: *Trucking Industry*

Content Name: *FMCSA Coercion*

*Available in Spanish

INTERMODAL EQUIPMENT PROVIDER RULES

IEP Rule - Part 1

Length: 5:37

This video discusses general definitions and concepts around Intermodal Equipment Providers and Intermodal Equipment, as well as much of the required documentation for being an IEP or hauling IME.

Package: *Infinet-I Workforce Trucking*

Course: *Intermodal Equipment Providers Rule (IEP)*

IEP Rule - Part 2

Length: 5:40

This video discusses general best practices involving the inspection, repair, and maintenance of IME and details what should be involved in a driver-vehicle inspection report.

Package: *Infinet-I Workforce Trucking*

Course: *Intermodal Equipment Providers Rule (IEP)*

IEP Rule 3

Length: 3:18

All IEPs must establish an IRM program. Required inspection, repair, and maintenance program elements include: performing regular IME inspections, repairing the problems you find, maintaining IME between inspections, creating a recordkeeping system for the program.

Course Name: *Trucking Industry*

Content Name: *Intermodal Equipment Provider Rules*

IEP Rule 4

Length: 7:43

Goes over developing procedures and providing sufficient space for drivers to perform a pre-trip inspection of tendered IME. Developing and implementing procedures to repair any equipment damage, defects, or deficiencies or replacing the equipment prior to the driver's departure. Refrain from placing imminently hazardous IME in service.

Course Name: *Trucking Industry*

Content Name: *Intermodal Equipment Provider Rules*

PREPARING YOUR COMPANY FOR LITIGATION

Trucking Defense 2.0

Length: 51:17

Learn what to consider when drafting company safety policies, best practices in responding to accidents that happen, and how your safety program can help or hinder you during litigation.

Course Name: *Best Practice Webinars*

Content Name: *2017 Webinars*

TEXTING LAW

Texting Law

Length: 5:22

This video explains the Federal Motor Carrier Safety Administration's rule against texting while driving. It also discusses the definitions and consequences around the rule and breaking it.

Package: *Infinet-I Workforce Trucking*

Course: *Texting Law*

*Available in Spanish

MAINTENANCE

Identification and Diagnosis of Malfunctions

Length: 12:05

This video covers the concepts of maintenance, diagnosing malfunctions, and the legal requirements for a roadworthy vehicle.

Package: *Infinet-I Workforce Trucking*

Course: *Identification and Diagnosis of Malfunctions*

Maintenance

Length: 7:33

This video provides guidance on performing preventative maintenance as well as basic servicing and checking procedures for various engine and vehicle components. It also discusses common simple repairs drivers should be equipped to handle.

Package: *Infinet-I Workforce Trucking*

Course: *Maintenance*

BRAKE SAFETY

Anti-lock Braking Systems – How ABS Works

Length: 6:36

This video explains what anti-lock brakes are and how they work. It also discusses what to do if your ABS system fails.

Package: *Infinet-I Workforce Trucking*

Course: *Anti-lock Braking Systems*

*Available in Spanish

Anti-lock Braking Systems -

How You Should Brake with ABS

Length: 4:33

This video explains how to brake safely with antilock brake systems. It also discusses how to maintain your ABS to ensure it continues functioning properly.

Package: *Infinet-I Workforce Trucking*

Course: *Anti-lock Braking Systems*

*Available in Spanish

Brake Safety

Length: 9:47

Each year, thousands of vehicles are placed out of service during the Commercial Vehicle Safety Alliance's (CVSA) Brake Safety Week. The video discusses how to do a pre-trip inspection to ensure brakes are in full working order.

Course Name: *Trucking Industry*

Content Name: *Brake Safety*

Heavy Trucking Braking System & Braking Techniques

Length: 9:41

This video reviews types of brake systems, including air brakes, and the dynamics involved with safe braking practices.

Course Name: *Trucking Industry*

Content Name: *Heavy Trucking Braking System and Braking Techniques*

AXLES & TIRES

Axle Alignment and Maintenance - Part 1

Length: 6:38

This video explains the necessary steps to ensure optimum tire wear is achieved through proper alignment and maintenance. These techniques provide a quick, low-cost method of establishing whether or not a poor alignment condition exists.

Package: *Infinet-I Workforce Trucking*

Course: *Axle Alignment and Maintenance - Part 1*

Axle Alignment and Maintenance - Part 2

Length: 6:54

This video expands on the necessary steps to ensure optimum tire wear is achieved through proper alignment and maintenance. It discusses the Ackermann principle, how to identify worn components, and more.

Package: *Infinet-I Workforce Trucking*

Course: *Axle Alignment and Maintenance - Part 2*

TRUCK SAFETY

Diesel Exhaust Fluid (DEF)

Length: 3:44

This video discusses how DEF works to reduce harmful emissions. It also explains how CMV drivers are affected by its implementation.

Package: *Infinet-I Workforce Trucking*

Course: *Diesel Exhaust Fluid (DEF)*

Inspection Bulletin

Length: 2:47

This video is a basic inspection overview for inspecting the drive line, or drive shaft, on a bus, truck or tractor.

Course Name: *Trucking Industry*

Content Name: *Inspection Drive Line*

Inspection Procedure

Length: 3:48

This video discusses, in detail, the procedure for inspecting the drive line, or drive shaft, on a bus, truck or tractor.

Course Name: *Trucking Industry*

Content Name: *Inspection Drive Line*

Troubleshooting Vibration Complaints

Length: 14:09

The video provides methods to investigate and resolve a vibration complaint, providing avenues for corrective action.

Course Name: *Trucking Industry*

Content Name: *Troubleshooting Vibration Complaints*

Winter Weather Readiness Checklist

Length: 6:39

Weather conditions can change quickly, especially during the winter. This video discusses things to check when winterizing a commercial motor vehicle (CMV), to ensure CMV drivers are prepared during the winter months.

Course Name: *Trucking Industry*

FLEET MAINTENANCE & LITIGATION

How to Avoid Common Legal Risks in Fleet Maintenance

Length: 1:01:34

Attorney Mike Bassett shares a real life example of cases where failures made by transportation companies leading up to accidents led to negligence claims. He'll share the steps trucking companies can take to avoid similar mistakes. *(This webinar is also available to view in short segments).*

Course Name: *Best Practices Webinars*

Content Name: *2017 Webinars*

Fleet Maintenance & Its Impact on Litigation, Part 1

Length: 8:19

This video introduces transportation attorney Mike Bassett and sets the stage for the story Mike tells throughout the webinar about how fleet maintenance plays an important role in protecting your company from a lawsuit.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation, Part 2

Length: 13:03

This video focuses on the problems caused by lack of correct documentation and the violation of company policies. It features a story about a transportation company who failed in both areas.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation, Part 3

Length: 15:27

This video focuses on the role maintenance managers played in the case. It highlights their mistakes, along with discussing the importance of cohesion within a company.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation, Part 4

Length: 9:40

This video discusses the lessons learned from a case where a trucking company failed to follow their own maintenance procedures.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation, Part 5

Length: 4:14

This video discusses what the fleet maintenance team can do after an accident to prepare for litigation.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation, Part 6

Length: 9:48

This video is a question and answer period with attorney Mike Bassett, focused on the role fleet maintenance plays in litigation.

Course Name: *Trucking Industry*

Content Name: *Fleet Maintenance - Webinar*

Fleet Maintenance & Its Impact on Litigation - PDF

MSHA

MSHA

Brakes, Grade, and Runaways for Hwy Trucks, Part 1

Length: 9:57

This video highlights truck braking systems, principles of mine haul road design, and maintenance and procedures to follow in the event of a runaway truck.

Course Name: *MSHA Mining Training*

Content Name: *Brakes, Grade & Runaway for Highway Trucks*

Brakes, Grade, and Runaways for Hwy Trucks, Part 2

Length: 8:42

This video goes over berms, guardrails, and barriers. It also discusses boulders as berms and runaway lanes.

Course Name: *MSHA Mining Training*

Content Name: *Brakes, Grade & Runaway for Highway Trucks*

Brakes, Grade, Runaways for Off Road Trucks, Part 1

Length: 9:16

This video helps the driver better understand truck braking systems. It highlights mine haul road design and maintenance and shows the procedures in the event of a runaway truck. This video emphasizes the need to maintain a good braking system, the need to be constantly aware of the grades that the driver is operating on, and the actions drivers should take in case of a runaway accident.

Course Name: *MSHA Mining Training*

Content Name: *Brakes, Grade, & Runaways For Off Road Trucks*

Brakes, Grade, Runaways for Off Road Trucks, Part 2

Length: 8:43

This video goes over brakes, grades, and runaways for off road trucks, as well as beams and guardrails.

Course Name: *MSHA Mining Training*

Content Name: *Brakes, Grade, & Runaways For Off Road Trucks*

Hwy. Haulage Truck MSHA Inspections, Part 1

Length: 8:23

This video addresses the procedure taken by the MSHA inspector to ensure safe operating conditions of vehicles including mechanical conditions and the area the truck operates.

Course Name: *MSHA Mining Training*

Content Name: *Highway Haulage Truck Inspection by MSHA*

Inspectors

Hwy. Haulage Truck MSHA Inspections, Part 2

Length: 9:57

This video is a continuation of part 1.

Course Name: *MSHA Mining Training*

Content Name: *Highway Haulage Truck Inspection by MSHA*

Inspectors

Inspection of Off Road Haulage Trucks, Part 1

Length: 4:53

This video shows the necessary steps an inspector has to take to make a good thorough inspection of off road haulage trucks. It also shows the importance for the inspector to protect themselves while inspecting.

Course Name: *MSHA Mining Training*

Content Name: *Inspection of Off Road Haulage Trucks*

Inspection of Off Road Haulage Trucks, Part 2

Length: 6:22

This video shows the steps an inspector has to take for a thorough inspection of off road haulage trucks. It also shows how the inspector can protect themselves while inspecting.

Course Name: *MSHA Mining Training*

Content Name: *Inspection of Off Road Haulage Trucks*

Operational Inspect, Off Road Haulage Trucks, Part 1

Length: 7:01

This video focuses on pre-operational inspections, reporting hazards and ensuring hazards are corrected before driving.

Course Name: *MSHA Mining Training*

Content Name: *Operational Inspection Off Road Haulage Trucks*

Operational Inspect, Off Road Haulage Trucks, Part 2

Length: 6:22

This video addresses more areas to check.

Course Name: *MSHA Mining Training*

Content Name: *Operational Inspection Off Road Haulage Trucks*

Pre-Operational Inspection of Off Road Haulage Trucks

Length: 9:21

This video shows the three steps to give a good pre-operational inspection of an off road haulage truck.

Course Name: *MSHA Mining Training*

Content Name: *Pre-Operational Inspection of Off Road Haulage Trucks*

Visibility & Communication Off Road & Hwy., Part 1

Length: 8:30

This video reminds drivers to maintain good visibility and communication. It also reminds drivers it is important for them to remain visible to others in their work area.

Course Name: *MSHA Mining Training*

Content Name: *Visibility and Communication for Off Road & Highway Trucks*

Visibility & Communication Off Road & Hwy., Part 2

Length: 6:47

This video addresses areas to watch for good visibility.

Course Name: *MSHA Mining Training*

Content Name: *Visibility & Communication for Off Road & Highway Trucks*

CLIENT SPOTLIGHT

Decrease Accidents with an Online Safety Program

Length: 43:17

Allan Hicks, VP of Safety and Human Resources at BR Williams Trucking, shares how he implemented online training and saw a reduction in accidents. Allan shares strategies for building a strong safety culture, including how to successfully deploy online training at your company.

Course Name: *Best Practices Webinars*

Content Name: *2017 Webinars*

How to Leverage Online Training in 2019

Length: 37:40

Allan Hicks, 2015 American Trucking Association Safety Director of the Year, has a Q&A session to discuss best practices in online training.
